

Boarding Drop Off

Animal's Name _____ Client's Name _____
Boarding from _____ to _____ Vaccines Due _____

Thank you for boarding your animal with the Animal Hospital of Sebastopol.

All animals being boarded must be current on their vaccinations, including Bordatella (kennel cough) for dogs. We feed a veterinary diet to help prevent diarrhea & intestinal upset. If your animal needs another food, please provide it. We will be giving your animal a Capstar* upon arrival.

Is your animal taking any medication? _____ If so, please fill in the following:
Name of medication _____ Instructions _____

Does your animal have any of the following symptoms?

Cough? _____ Vomiting? _____

Diarrhea? - _____ Loss of Appetite? _____

Urine Incontinence? _____ Other? _____

Are there any extra services (@additional cost) you would like done to your animal while it is here? _____

PLEASE DO NOT LEAVE ANY BEDDING WITH YOUR PET.

We wash & change bedding often & cannot keep yours separate for return to you.

FOR DOGS:

Does your dog get along with other dogs? _____

Do you agree to let your dog play in the yard with other dogs? _____

If your dog is an excessive barker, it may be necessary to apply a humane "bark collar" for short periods of time.

SIGNATURE:

I have read the information above _____

Phone number where I can be reached in case of emergency _____

If we are unable to contact you, should we provide medical intervention or not? _____

***Capstar is an oral anti-flea treatment.**
