

## Sarah Wintrone

I began my love of dogs at a very young age. I started off in 4-H and quickly won top awards at both regional and state levels of competition. My love grew working as a part of a great boarding/daycare/grooming/training facility. I taught 4-H, advanced obedience, and CGC classes, along with grooming, and caring for many breeds of dogs. I started competing in obedience and junior showmanship as much as I could, where I met my first AKC registered handler. I instantly fell in love with the whole dog show world. Since then I have been training, grooming, and conditioning some of the nation's top show dogs. I have gotten to work hands on with many breeds, showing them to BIS, BISS, and many major wins. I continue to strive to learn as much as possible to better myself and to give the dogs that I train the best possible chance at success.
