YOUR FAMILY VET,
HOW CAN I HELP?

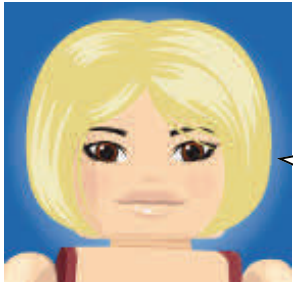

HELLO,
MY DOG **SPOT** HAS A
TUMMY ACHE,
WHAT SHOULD
I DO?

YOU SHOULD HAVE
SPOT SEE THE DOCTOR

SPOT & HIS DAD TRAVEL TO THE VET

WELCOME TO
YOUR FAMILY VET
THE DOCTOR IS READY FOR YOU

HI...I'M DR. GARCIA
TELL ME ABOUT
SPOT'S TUMMY ACHE

SPOT ATE A BUNCH
OF THINGS HE WASN'T
SUPPOSED TO. **SPOT** WANTS
TO KNOW WHY HE
SHOULDN'T EAT PEOPLE FOOD.

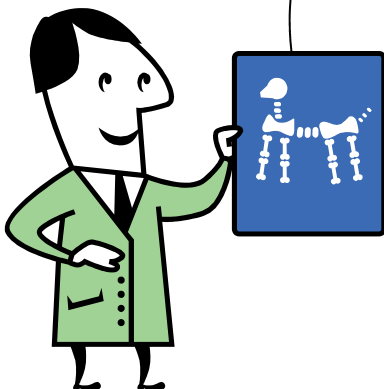

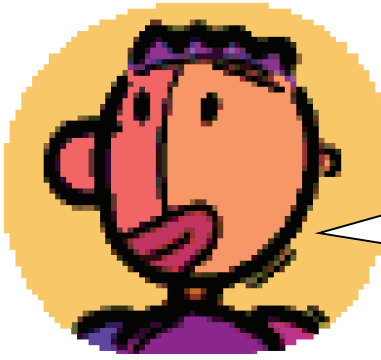

I'M GLAD YOU BROUGHT **SPOT**
TO SEE ME TODAY. THAT'S A GREAT QUESTION.
SPOT SHOULDN'T EAT PEOPLE FOOD BECAUSE HIS
DOG BODY ISN'T USED TO SOME OF THE
INGREDIENTS HUMANS EAT &
THEY CAN MAKE HIM VERY SICK.

I DIDN'T KNOW THAT.
WHAT ABOUT THE OTHER
THINGS HE ATE. CAN THEY HURT HIM?

YES THEY CAN. IF ANY OF THOSE
THINGS GET STUCK ON THEIR WAY
THROUGH HIS BODY, HE COULD NEED SURGERY
TO GET IT OUT. LOOKS LIKE **SPOT** WAS
LUCKY THIS TIME AND JUST HAS A
TUMMY ACHE.

THANKS FOR MAKING
SURE **SPOT** IS OK. I
LEARNED A LOT TODAY

HERE IS SOME MEDICINE & SOME
SPECIAL FOOD TO HELP HIS TUMMY
ACHE. WE WILL CALL TO MAKE SURE
SPOT IS DOING BETTER IN A
COUPLE DAYS.

THANKS
DAD & DR. GARCIA
FOR HELPING
ME FEEL BETTER
