2013 Wedding Décor Packages

"From the very first day I met Bill and Shannon, I knew they were a perfect fit for our wedding. From on-site/in person consultation, to digital mock-ups of table and room settings, we couldn't have asked for more from a wedding decorator. Even when I didn't have a vision for what I wanted our wedding day to look like, Bill and Shannon did. On the day of the wedding, not once did I worry about decorations, I knew Bill and Shannon had it covered. They played a huge role in making our special day perfect!"

- Stephanie MacDougall, Sydney
