KISS AND TELL

Talk about a precious kiss. **Guerlain** has released the priciest lipstick on the planet: a \$62,000 replica of the original 2005 KissKiss lipstick by Olivier Echaudemaïson and designer Hervé Van Der Straeten. The KissKiss Gold and Diamonds lipstick case is made of solid 1.8-karat yellow gold (which may be engraved) and is adorned with 199 diamonds weighing 2.2 carats. Mercifully, it is refillable. Available through special order. *Guerlain, The Breakers, Palm Beach (breakers.com)*

WORLD LEADERS

Think you know all there is to know about Florence (or Ibiza, or the Napa Valley)? Test your travel IQ at **Indagare.com**, a member-based luxury travel website that is more a conversation than a guide. The IQ (Indagare Quotient) quiz is a roundup of such esoteric questions as "What do some wilted, in-the-know audience members do to rejuvenate during the first intermission at the Bayreuth Festival?" (Answer: Cool their feet in a nearby wellness pool.) Indagare members discover the answers to such questions and more through authoritative reviews and insider intelligence, such as Hollywood Creative Director Holly Dunlap's tips on Florence and party guru Colin Cowie's private Mykonos. And when it comes to travel, nothing is so valuable a resource as an insider.

without sacrificing style. The collection comes in five preppy patterns, and includes hobo bags and adorable clutches. The signature white canvas totes fit all we need for a day at the beach or shopping. *bunnyandchad.com*

PURE HEAVEN

Chocolate is synonymous with Valentine's Day. No matter how you present it, your sweetheart will love it. And if it's freshly made by **Hoffman's Chocolates**, so much the better. Hoffman's offers European truffles and an assortment of chocolates—coffee, nuts, apricots and caramels covered in milk and dark chocolates—in heart boxes for February. Our favorites: the white chocolate-covered peppermint bark and classic chocolate-covered strawberries. *Hoffman's Chocolates, Lake Worth (561-433-GIFT, hoffmans.com)*
