Dear Professor Riski Titian Ginting,

I am happy to inform you that the page proofs of your chapter in 'Photocatalytic Activities for Environmental Remediation and Energy Conversion' have been completed in accordance with our style manual. The proofs are now available as a PDF file for your review.

1. Please click on the link below or copy and paste the link to your browser window

https://e-proof.sps.co.in/snbwfep/ba_bwf.asp?rfp=authecslvsnatg

2. On the download page, right click on the link of the PDF file and select Save Target as and save it to your hard disk.

Please review the proofs and indicate any corrections either by opening the PDF file in Adobe Acrobat and using the Annotations tool to add comments

Please be aware that the figures in this proof are shown in low resolution. The final published version of the book will show the figures in high resolution.

Please return either the annotated PDF or marked hard copy as an email attachment to Mano Priya S..

For fast identification in relation to your work we would like to ask you to use the same subject as used in this mail: Your proofs in 978-981-19-6747-4, Abdullah(Ed): Photocatalytic Activities for..., 533415_1_En (5)

Please return the corrected proofs by 25-September-2022.

Please note that any changes at this stage are limited to typographical errors and serious errors of fact. If the figures were converted to black and white, please check that the quality of such figures is sufficient and that all references to color in any text discussing the figures are changed accordingly. If the quality of some figures is judged to be insufficient, please send an improved greyscale figure.

Please ensure that you return all necessary corrections together. After receipt of your corrections, Springer Nature will proceed with publication of the book and any subsequent corrections can only be considered in exceptional cases.

E-mail address(es): Please note that we standardly publish professional e-mail addresses, but not private ones. If you have a different preference regarding publication of your e-mail address, please indicate this clearly on the proof.

If you have any questions, please feel free to contact me.

Best wishes,
Mano Priya, S.

Dear Riski Titian Ginting,

We are in receipt of your corrections for the chapter [533415_1_En_5_Chapter_AuthorPDF](#)".

We will check and incorporate them in the proof in accordance with Springer publishing guidelines and proceed further with the book publication process. In the meantime, if we have any questions, I will get in touch with you.

Regards,
Mano Priya S
