The History Boys

Tells the story of an unruly class of bright, funny history students in pursuit of an undergraduate place at Oxford or Cambridge. Their journey becomes as much about how education works, as it is about where education leads.

25th March \$13

miss potter

Tale charting the life of Beatrix Potter--a literary phenomenon of the early 20th century. At a time when most young women of her class aimed only to make a good marriage, Beatrix became an iconic figure, swimming quietly, but with great fortitude, against the tide.

Driving Lessons

This coming-of-age story focuses largely on sexual awakening and insecurities. This involves the 17-year-old hero's mooning over a classmate, fretting over his mother's adulterous affair, and learning about the sexual interests of his employer, a retired actress.

Dear Great Park Supporters,

The last few months have become very hectic for the committee preparing for the Environment Court appeal later this year. As mentioned before, we have engaged a specialist lawyer and four expert witnesses. These experts are presently involved in caucusing. They are discussing the issues with the other parties' experts, to determine areas where there could be agreement. We are pleased with progress to date and have high hopes that we can achieve many of the objectives of the Society. We have been lobbying the North Shore City Community Boards and are pleased with their support.

Fundraising is an ongoing theme. We have three movies scheduled and are able to sell tickets to all of them now. Buy all three at the same time and save. The big fundraiser is the raffle. We are very pleased with the immediate enthusiasm and naturally overwhelmed with the support we have had from local businesses who have contributed prizes. Check out the great prizes to be won on the adjoining page.

Annual subscriptions are due again - kindly complete the form below. Thank you also for the \$70 donations/pledges that are still coming in. We REALLY appreciate your support.

Finally, please come to the General and Annual meetings and contribute if you can to the work of the society at this critical time.

Convenor.

Dear Friends, Happy 2007 to you all.

In July this year, the fate of the lovely Long Bay/Okura hills will finally be decided.

We have less than 5 months to raise the remainder of the funds to pay our Environment Court costs and to this end we are intensely selling raffle and movie tickets. These last few months of fundraising are crucial to meeting our goal of the creation of the Great Park.

Someone will contact you offering a raffle book. Tickets cost \$5 each and if you purchase a book of 10 the cost will be discounted to \$45. There are only 5000 tickets and therefore you have a great chance of winning. Please phone me if you would like further information.

I take this opportunity to thank you for your ongoing support and generosity through donations and through continuing to phone 0900 4 PARK to make automatic donations of \$10. Much appreciation also to those energetic souls who have and still are giving out 0900 flyers to visitors at Long Bay Park and carrying out letterbox deliveries. I also thank my remarkable fundraising committee members for their deep and enduring commitment.

If every one of you buys and sells raffle and movie tickets between now and the court case, we will succeed in covering our costs. After 10 years, this really is the last chance to make a difference and have your say!

GO TO IT TEAM! SAVE LONG BAY!

Fundraising Coordinator.
