BLUE™

HYDRATING MOISTURIZER

A breakthrough treatment moisturizer designed to shield blue light and combat the signs of aging.

PEACE, LOVE, & PROTECT

This light gel lotion is designed for everyday use. Great for both men and women. It has a built-in primer to ease makeup application. This velvety moisturizer has Elecampane to protect against pollution and blue light damage. Hemp calms to visibly decrease the appearance of lines and wrinkles. African Birch firms through collagen production. Beet Root provides 24 hour hydration.*

KEY INGREDIENTS

BioAbsorb™ Full Spectrum Hemp Oil (Sativa)
Cherimoya (Annona Cherimola)

Elecampane (Inula Helenium)

Beet Root

Hyaluronic Acid

CoEnzyme Q10

BENEFITS

*Calms skin and activates Endocannabinoid System.**

*Enhances hemp to improve skin health and well-being by acting on the ECS/EVS system in the skin.**

*Protects against blue light & air pollution.**

*Supports 24 hour hydration.**

*Plumps and firms skin.**

*Protects against free radical damage and promotes collagen production.**

DIRECTIONS: Apply to clean, dry skin AFTER using Canna BLUE Complete Repair Serum or other treatment products. Smooth over skin in upward and outward motions. Let it absorb for a moment or two. Please reapply during and after extended screen time sessions to maximize blue light protection.
