Embellishments of your choice

Fold cardstock, placing fold on the left. Emboss card front with the Dashing Designs 3D Embossing Folder. Adhere Basic White panel inside the card.

Using the die with the scalloped edges, cut the shape from the Wild Wheat and the Basic White cardstock. Set aside the scalloped border of the white piece and the inside of the Wild Wheat piece – you can use these on another project. Using the smallest hexagon-shaped die, cut the DSP. Adhere the die-cut DSP on top of the Basic White die-cut shape and then set this entire piece inside the Wild Wheat scalloped die-cut shape. Adhere to card front with Stampin' Dimensionals.

With Early Espresso ink, stamp the greeting on the strip of Basic White cardstock and then adhere to the strip of Early Espresso cardstock. Adhere to the card front. Add embellishments.
