

Abstract

Investment is an effort to advance national economic growth and prolonged economic development, create jobs, increase national capacity and technological capacity, encourage community economic development, and realize the welfare of the community in a competitive economic system. The research was conducted to find out about investment arrangements for foreign investors based on the investment Law and to determine the effect of foreign investment on the development of the Indonesian economy. This study uses a normative legal method, which examines problems and research through approaches with binding primary legal materials in the form of laws and government regulations and secondary legal materials in the form of books, journals, theses/dissertations. The data collection techniques in this research were carried out using literature study. After conducting research it is known that investment arrangements for foreign investors are well structured in the investment Law No.25/2007, and the influence of foreign investors has been proven to increase the development of the Indonesian economy.

Keywords: Foreign Investors, Economy, Capital Investment.

Abstrak

Penanaman Modal adalah upaya memajukan pertumbuhan ekonomi nasional dan pembangunan ekonomi yang berkepanjangan, menciptakan lapangan kerja, meningkatkan kapasitas dan kapasitas teknologi nasional, mendorong pembangunan ekonomi masyarakat, dan mewujudkan kesejahteraan masyarakat dalam sistem ekonomi yang berdaya saing. Penelitian ini dilakukan untuk mengetahui pengaturan investasi bagi investor asing berdasarkan Undang-Undang Penanaman Modal dan untuk mengetahui pengaruh penanaman modal asing terhadap perkembangan perekonomian Indonesia. Penelitian ini menggunakan metode hukum normatif yang mengkaji permasalahan dan penelitian melalui pendekatan dengan mengikat bahan hukum primer berupa peraturan perundang-undangan dan bahan hukum sekunder berupa buku, jurnal, skripsi / disertasi. Teknik pengumpulan data dalam penelitian ini dilakukan dengan menggunakan studi pustaka. Setelah dilakukan penelitian diketahui bahwa pengaturan penanaman modal bagi penanam modal asing telah terstruktur dengan baik dalam Undang-Undang Penanaman Modal Nomor 25 Tahun 2007, dan pengaruh penanam modal asing terbukti dapat meningkatkan perkembangan perekonomian Indonesia.

Kata Kunci: Investor Asing, Ekonomi, Penanaman Modal.
