Dear Valued Sponsor,

This letter serves as an invitation to support the girls of Manchester South Junior Deb Softball League for the 2018 season. Your generosity will help serve more than 200 girls ages 4 -17 as they participate in the sport of softball. Our girls learn basic to advanced softball skills, the value of teamwork, self-discipline and mentoring skills. Our fields are located just off Brown Avenue in Manchester, NH.

Included you will find a menu of sponsorship opportunities, all of which will directly support our league by generating funds for the teams, fields, equipment and facility upgrades as well as general maintenance. We encourage all of our players' families as well as our numerous spectators to support all the local businesses that help support our league. All coaches, field maintenance workers, concession workers and league board members volunteer their time and efforts to the league.

It would be greatly appreciated if you would consider a sponsorship this year. Please fill out the enclosed form and mail along with payment to the above address no later than February 26, 2018. This gives us time to have all of our materials printed prior to the season starting. Payment plans are available at all sponsorship levels.

If you have any questions, please contact Dawn Melanson at 603-300-6006 or email [Fundraising@southjrdeb.com](mailto:Fundraising@southjrdeb.com)

On behalf of the players at Manchester South Junior Deb Softball, thank you for your community support.

Sincerely,

Board of Directors  
South Junior Deb Softball
