I suppose it is quite apt to start a “Book of Quotes” with a quote!

**“We make a living by what we get.  
We make a life by what we give.”**

- Winston Churchill

Throughout history the words of people have inspired, comforted, persuaded, and motivated.

Regardless of their fields of endeavor, the quotes in this little book were compiled by people who led by example and whose words transformed many ideas into action.

This is a collection of quotes to share a bit of timeless wisdom, which echoes the integrity, strength of character, and passion of extraordinary men and women.

These quotes were put together with lots of love and passion. It’s a small gift for you to treasure, in good days and bad.

I hope you will enjoy this book, and use it as a source of knowledge and inspiration.

Please feel free to share it with everyone that you care for, maybe this is all they need to celebrate a perfect day!
