# Lawrence Township to replace aging sign

By Lori Feeney

The Lawrence Township Board of Trustees voted at the June 30 meeting to hire The Country Sign Company of Bolivar to design a new sign to be placed in front of the Sleep Inn. The hotel recently renovated its exterior, and the manager asked for the old sign to be replaced. The new sign will say, "Welcome to Lawrence Township," instead of Wilkshire Hills.

Board chairman Matt Ritterbeck said Country Sign's bid was the lowest at \$8,460. Trustees also received bids from Synergy Signs and Graphics in Strasburg and Heritage Signs in Millersburg, both of which were nearly double the Country

Sign bid.

In other business trustees voted to do the following:

—Spend up to \$900 to outfit a mower with flex forks and a Qwikchute

—Place a 2-mill, five-year road replacement levy on the fall ballot.

—Move \$6,000 out of the road and bridge fund to cover increased costs for natural gas estimated through the end of the year. Ann Ackerman, fiscal officer, said the road fund currently has a small surplus, partly due to a reimbursement coming for some asphalt work.

—Renew a certificate with the public utilities commission allowing township agree-

gates for gas and electric.

**New Ohio fireworks law**

In light of new state legislation allowing residents to discharge consumer-grade fireworks on certain holidays, trustee Don Ackerman asked residents to use caution when doing so. "It has been dry and hot, and people need to use them in a safe area where it won't start a fire," he said. "We also don't need extra ambulance runs or fires to put out."

Consumer-grade fireworks include firecrackers, bottle rockets, sparklers, ground spinners and other novelty items, according

to U.S. Consumer Product Safety Commission. Consumers are still not permitted to buy or discharge display-grade fireworks.

Fire Chief Shawn Lynch outlined the new regulations. Fireworks may be set off July 3-5 and Labor Day and Memorial Day weekend. Fireworks also are permitted the weekends immediately preceding and following those holidays. Fireworks are allowed on New Year's Eve and New Year's Day with specific hours, as well as Cinco de Mayo and three other holidays.

Some local communities are opting out of the new

law, and there are additional restrictions for areas that allow fireworks use. Hours on some holidays are limited. Fireworks may not be discharged within 50 feet of spectators, and persons under the age of 18 are not permitted to handle or discharge fireworks.

**Tree planting policy at park**

Trustees discussed the need for clarity about the tree planting program at the Lawrence Township River Community Park. Individuals may contact a nursery to plant trees in memory of loved ones at the park. However, the township does not have the resources or equipment to water the trees, so family members are responsible for watering. McNutt said if workers are in the vicinity, they may water them, but the township is not responsible for the life of the tree.

Ritterbeck said he will look into the possibility of using grant funds to invest in watering equipment down the road. In the meantime he also suggested planting trees either in the spring or late fall rather than in the heat of summer.

## LAWRENCE

from Page 2

### Road superintendent report

McNutt said the chip and seal contractor hopes to begin work by mid-July. He also reported graffiti on a sign near Hunter's Green; the theft of several road signs, all of which were immediately replaced; and the removal of 27 downed trees following recent storms.

### In other matters

Trustees heard from Lynch regarding the township's new fire truck, which it will share with the villages of Bolivar and Zoar. It should be in operation within four to six weeks.

Martina Mann, administrative assistant, is working with the county health department to try to secure more free insect repellent for township residents as the 50 bottles she had received went quickly.

A township resident said tar is bubbling up on several township roads and damaging vehicles. McNutt said the

lack of an asphalt base under the chip and seal and having to use asphalt emulsion rather than "3,000" coal tar have contributed to the problem. He said he would look into

potential solutions.

The next meeting will be Thursday, July 14 at 7 p.m. at Charles E. Lundenberger Hall, 10867 Industrial Parkway NW, Bolivar.

# It only takes a Spark

Sparks of Giving celebration  
to benefit local charities

By Lori Feeney

**Y**ou never know what is going to spark the next great idea. The concept for the Sparks of Giving celebration on July 16 grew out of a party and fireworks show held last year at the home of Kyle and Samantha Quillen, who had recently purchased Wilshire Golf Course.

The fireworks show is being sponsored by Zoar View Investments, one of several companies owned by Kyle Quillen.

“We decided to do it again this year but with the goal of involving the entire community,” he said. “We thought maybe this year we could have a larger impact on the community as a whole and do something good, so we decided to make it a charity-driven event, and it just kind of took off from there.”

Zoar View Investments, which is owned by Quillen, will host the event on Saturday, July 16. The Quillens have involved community leaders at a number of local businesses and organizations in planning

the celebration. Among those who joined the project were Steve Franks, athletic director for Tusky Valley Schools; Jon Elsasser, owner of the Canal Tavern of Zoar and president of the Zoar Community Association; and Andrew and Lauren Marburger, owners of Lockport Brewery.

Participating partners along the state Route 212 corridor from Bolivar to Zoarville will donate a portion of their proceeds from that day to a local charity of their choosing. Zoar View Investments has donated fireworks for what is promised to be a display rivalling the largest in the area at sunset.

“The same company that does the fireworks at Tuscora Park will be doing ours, setting them off from our property,” Quillen said.

“We had a test run with the fireworks about a month ago and had spotters in various locations to determine the prime viewing locations,” Samantha Quillen said.

Those locations were identified as the Zoar Volunteer Fire Department, Tusky Valley High

School, The Church of the Holy Trinity in Zoar and the Zoar Village Golf Course.

“We hope the fireworks attract people from neighboring communities and surrounding counties like Stark, Wayne and Carroll, not just from Tuscarawas County,” Kyle Quillen said.

“Hopefully, they’ll come and spend some money in the Bolivar area, and that money will go towards a good cause,” Samantha Quillen said.

## What you’ll find at participating locations

Some residents of Wilshire Hills and other areas may be able to see the fireworks from their homes.

“We want to encourage them to get out before the fireworks, enjoy what our partners are offering and help them support their charities before heading home if that’s where they choose to watch,” Kyle Quillen said.

Here’s a sampling of what you can enjoy by location:

### The Church of the Holy Trinity

Concessions and live music will start at 7:45 p.m. by local band, Slick31, who has donated its time and talent. “We’re charging \$5 a carload to view the fireworks from our parking lot and lawn,” Deacon Lyn Houze said. “We’ve got plenty of room up here where people can watch from their cars or bring chairs or blankets for outdoor viewing.”

The church has chosen to donate proceeds to the St. Vincent de Paul Society.

### Tusky Valley High School

In addition to prime viewing from the stadium and parking lots, the school will have a concession stand benefiting the band, shaved

Lori Feeney

**The Tusky Valley High School stadium will offer prime viewing for the fireworks, along with music and a concession stand that will benefit the band and the new stadium project.**

ice treats and music over the stadium’s sound system. Athletes will accept donations for the new school’s stadium project.

“We need new lights, our bleachers are due for an upgrade and ultimately we’d love to get field turf on the football field,” Franks said.

Franks was quick to add funds raised will benefit the community as well. “Everybody’s kids in our community are going to be using the stadium at some point, either for graduation, sports or other events.”

Franks said people can bring chairs to set up on the football field if they want. The festivities will begin at 7:30 p.m. “That will give people enough time to get parked, come over and get your seats, go to the concession stand, and hear some great music before the fireworks,” he said.

### Zoar Golf Course

There will be grilled burgers and dogs outdoors accompanied by pre-recorded music from Big Fat Dog Blues Band. Manager Brad Haynes said the Coshocton-based group is one of Ohio’s premier blues bands.

“We will be open for golfing too,” he said.

The cost to park and have a great view of fireworks is \$5 per carload. “If people want adult beverages, they can purchase them here,” said Haynes, who said it is against state law to bring your own.

All proceeds will benefit the humane societies in Coshocton and Tuscarawas counties.

### Lockport Brewery

Owners Andrew and Lauren Marburger hold a Christmas in July event every year.

“We’ll have our popular Christmas ale, Cheer Beer, available in our beer garden during the event,” Andrew Marburger said. “We’ll also have the Macho Nacho food truck there from 5-8 p.m. and live music

from Urban Honey from 7-9 p.m.”

While it may not be a prime viewing area for the fireworks, Lauren Marburger said everyone is welcome to stick around for the show.

“Or they can hit us early and maybe hit a couple of other venues as well if they plan to watch the fireworks from somewhere else,” she said. “We’re just really excited to be working with the Quillens on their vision to pull everybody together to benefit the community and bring people who aren’t from the area here to see what we have to offer, all while benefiting some local charities. It seems like a win-win for everybody.”

The brewery is donating 15% of their proceeds to Tusky Valley’s Affordable Christmas Program.

## Additional participants and viewing areas

Other participating partners donating to charities include the Canal Street Diner, Sublime Smoke and the Bolivar Main Street Association. Viewing also is available from Wilshire Golf Course, Vaughn’s Pub, the Massarelli Baseball Fields and the Giant Eagle parking lot.

Elsasser also invited people to come to Fort Laurens, which will hold its annual Revolutionary War Re-enactment the same day from 10 a.m. to 4 p.m. Visitors are welcome to stay and watch the fireworks display from the fort.

## Kindling a new annual tradition?

“This is the first year that we’re really doing this, with the intention of making it an annual event,” Kyle Quillen said. “What we don’t know is if we’re going to get 10 people or 10,000 people or 50,000. And I think that’s kind of the cool part about this year.”

For more information on activities at participating venues, visit and follow the Sparks of Giving Facebook page.

Lori Feeney

**Zoar Village Golf Course is a great place to view the fireworks.**

# Vintage toy show added to Dover Steam Show coming up in August

A farm toy show featuring these items and more has been added to the attractions at the 58th annual Dover Steam Show at the Tuscarawas County Fairgrounds Aug. 19-21.

The Four-Way Barn will be the backdrop for the toy show, which will include toy replicas of historical and modern farm machinery, model trains of all sizes, toy trucks and miniature pieces of construction equipment. A number of vendors are expected for the event, which is Saturday, Aug. 20 only from 10 a.m. to 4 p.m.

"We routinely have a few toy vendors at each year's show but we really wanted to expand the toy selection this year," said coordinator Ben Pauli. "A toy show like this is a natural addition to our already great steam show and allows everyone to take a little piece of the show home with them."

Admission to the Dover Steam Show, which includes admission to Saturday's toy

Kyle Valentini

**The Four-Way Barn will be the backdrop for the toy show, which will include toy replicas of historical and modern farm machinery, model trains of all sizes, toy trucks and miniature pieces of construction equipment.**

show and all events that weekend, is \$7 with kids 12 and under admitted free.

Attendees will be treated to the usual educational displays of working antique farm and milling equipment that include a circular sawmill; a shingle mill; a threshing machine and baler. Construction equipment, farm trucks, crawlers and garden tractors will be featured, as

well as tractors of every make and model.

"We have a love of the old ways and feel that it is up to us to preserve the history," said Tuscarawas Valley Pioneer Power Association Inc. President Emily Weldon. "We want to be able to show the next generation how our grandparents and great-grandparents did things back in the day. Back

in the 'good old days' life was simple but also involved a lot of hard work and neighbors helping neighbors."

The annual garden tractor pull will be Friday, Aug. 19 at 6 at the grandstand with weigh-in starting at 4. Saturday is a full day of activities including a pedal tractor pull for all ages at 1 at the grandstand and the evening tractor fun pull is at 5 p.m.

The arts and crafts show will also be held in the Four-Way Barn. A large area for flea market vendors will also be available.

The TVPPA is a non-profit organization whose purpose is to display antique farm machinery and educate the public about antique farming methods.

To reserve a spot for the toy show, contact Pauli at 330-844-5416. For general inquiries, contact Weldon at 330-844-5415 or doversteamshow@yahoo.com.

## Meet the author

The Pam S. Belloni Memorial Branch Library of the Massillon Public Library invites Fantasy Football enthusiasts to meet Bob Lung, author of the annual "Fantasy Football Consistency Guide," which has been nominated five years as one of the Best Fantasy Football Publications by the Fantasy Sports Writers of America. The live program will take place Tuesday, Aug. 2 from 6-8 p.m. at the branch at 12000 Navarre Road SW in Brewster.

Lung will help people improve their fantasy team. He also runs the

# Program helps residents stay cool in summertime

The Ohio Department of Development and HARCATUS Tri-County Community Action Organization Inc. will help income-eligible Ohioans stay cool during the hot summer months.

The Home Energy Assistance Summer Crisis Program provides eligible Ohioans assistance paying an electric bill or assistance paying for central air-conditioning repairs. The program runs from July 1 until Sept. 30.

To apply for the program, clients are required to schedule an appointment with HARCATUS. Appointments can be scheduled by calling 855-806-9650.

Clients need to bring copies of the following documents to their appointment:

—Copies of their most recent energy bills.

—A list of all household members and proof of income for the last 30 days or 12 months for each member.

—Proof of U.S. citizenship or legal residency for all household members.

—Proof of disability if applicable.

—Physician documentation that cooling assistance is needed for a household member's health if there isn't a household member over the age of 60.

Last year HARCATUS

assisted more than 390 families in Harrison, Carroll and Tuscarawas counties through the Home Energy Assistance Summer Crisis Program.

"The intent of this program is to keep living spaces cool in the hot Ohio summer months. The Summer Crisis Program is geared to seniors age 60 and older but is also available to all low-income households who qualify. With temperatures already rising this year, we anticipate a high demand for this program. I encourage residents to call early before funds are gone," said JoEllen Sanders, community services program director at HARCATUS.

File

Last year HARCATUS assisted more than 390 families in Harrison, Carroll and Tuscarawas counties through the Home Energy Assistance Summer Crisis Program.

The Summer Crisis Program assists low-income households with an older household member that can provide physician documentation that cooling assistance is needed for a household member's health, have a disconnect notice, have been shut off, are trying to establish new service on their electric bill

or require air-conditioning. Conditions can include such things as lung disease, chronic obstructive pulmonary disease or asthma.

Eligible households can receive up to \$500 if they are a customer of a regulated utility or \$800 if they are a customer of unregulated utilities such as electric cooperatives and municipal utilities.

The assistance is applied to their utility bill or to purchase an air-conditioning unit or fan or pay for central air-conditioning repairs. Ohioans must have a gross income at or below 175% of the Federal Poverty Guidelines to qualify for assistance. For a family of four, the annual income must be at or below \$48,562.50.

Also, Ohioans enrolled in the Percentage of Income Payment Plan Plus Program who meet the above criteria may be eligible for assistance toward their default PIPP payment, first PIPP payment, central air-conditioning repairs or may receive an air-conditioning unit and/or fan.

For more information about the features of the Summer Crisis Program and what is needed to apply, visit [www.harcatus.org/heap](http://www.harcatus.org/heap).

To be connected to your local energy-assistance provider, visit [www.energy-help.ohio.gov](http://www.energy-help.ohio.gov) or call 800-282-0880.

## Funding available for remediation

The Ohio Department of Development announced communities can apply for funds to assess and clean up hazardous substances on properties throughout Ohio.

The third application period opened for the Brownfield Remediation Program. The program will provide nearly \$350 million in grants to clean up industrial, commercial and institutional brownfield sites that are abandoned, idled or underutilized due to a known or potential release of hazardous substances or petroleum.

“Through our previous rounds of applications and awards, we’ve seen the need for this program clearly demonstrated,” Gov.

File

**Projects that assess or remediate brownfield properties are eligible for funding.**

Mike DeWine said. “We’re cleaning up sites, one project at a time, to build a better, brighter future for our communities.”

More than \$30 million is available through round three of the program, which will remain open until Sept. 30 or until funds have been depleted. Funding is first come, first served as

required by law.

The Ohio Brownfield Remediation Program was created with support from the Ohio General Assembly in the 2022-23 operating budget. The program is administered by the Ohio Department of Development.

“This new funding turns environmental nuisances into new community and economic assets,” Lt. Gov. Jon Husted said. “When you take a property that is unusable and turn it into a site that you can build a business, then you’ve changed the future of a neighborhood for everyone who lives or works near it.”

Projects that assess or remediate brownfield properties are eligible for funding. Units of local government including counties, townships, municipal corporations, port authorities, conservancy districts, park districts or other similar park authorities are eligible to apply. Other eligible applicants include county

land reutilization corporations, nonprofit organizations or organizations for profit. Entities that contributed to the contamination of properties are not eligible to apply.

“We’ve seen great projects funded through this program, and we want to build on that success,” said Lydia Mihalik, director of the Ohio Department of Development. “We encourage communities to take advantage of this opportunity to help revitalize underutilized properties to benefit the local economy.”

For the first round of applications, which closed Jan. 31, \$252 million was awarded. Round-two applications opened March 1 and concluded May 31 for counties that had not met their \$1 million set-aside. Applications submitted in round two are under review and will be awarded at a later date.

# Get Busy Living

Copeland Oaks offers an active and maintenance-free lifestyle for those 55 and over.

by Mitch Allen

During the summer, many of us travel to visit our aging parents only to discover they are not managing household complexities as well as they once did. Or we ourselves may be exhausted from yet another year of lawn mowing, hedge trimming, mulching, gutter cleaning, etc.

And summer will soon transition into fall, signaling the end of yet another year spent maintaining a house rather than enjoying our cherished golden years. Can this be the year when we start to enjoy our retirement in style, when we embrace maintenance-free resort living?

If you're ready to explore just such an option—right here in Northeast Ohio without the scorching heat, humidity and insects of Florida—consider a home or apartment at Copeland Oaks, located in the quaint village of Sebring, Ohio. This 55+ community is located on a 250-acre campus with all of the amenities you need to enjoy an active, well-deserved retirement. Plus, it's a completely debt-free, non-profit venture, and it does not

require an entrance fee to move in.

"As a transitional 55-and-over community, we have people of all ages and different stages of life who come to live—and love it—here," says Lisa Gentile, Chief Development Officer and Senior Campus Director.

For those seeking independent living, there are two different options:

## Copeland Oaks does not require an entrance fee to move in...

### The Villas

The 140 fully independent ranch-style villas are located on quiet, tree-lined streets. And when a new resident or couple decides to call Copeland Oaks home, their villa of choice is beautifully remodeled, often including full kitchen updates, lighting, flooring and more. "We offer a choice of eight different villa styles that people can choose from," Lisa says. "They range from 900-1,700 square feet with full basements and garages."

The campus offers many social events, and residents have access to over 60 resident-led groups within walking distance of their homes. Enjoy the stocked lake, on-site library, barbershop, beauty salon, creativity center,

swimming pool, wellness center, personal training, aerobics studio, and free membership to the local golf course with country club—all included with the monthly rent.

The zero-maintenance lifestyle at Copeland Oaks means all landscaping and maintenance are taken care of. You can even schedule housekeeping, for a truly worry-free living experience.

"Our residents have spent their lives working and raising families. It's time for them to be able to enjoy themselves without the stressful upkeep of a home," Lisa says. "Here, the only responsibility they need to bother themselves with is which activities they want to participate in."

### The Apartments

Residents who choose to live in one of Copeland Oaks' beautiful apartments enjoy a glorious view of the lake. The 54 units that comprise this section give seniors the opportunity to remain independent but on smaller scale than the villas.

All of the same amenities enjoyed by residents in the villas are afforded to residents in the apartments. Plus, Copeland Oaks offers a continuum of care, so seniors have a place here no matter where they are in the aging process, including the on-campus Crandall Medical Center, a skilled nursing facility ranked third in Ohio. The center features

The spacious swimming pool offers water aerobics and more.

The five-acre stocked lake is perfect for fishing or simply relaxing by its shore.

To extend the outdoor season, the patios feature firepits and even a fireplace.

176 beds (all rooms are private with person-centered care) and a state-of-the-art rehab and therapy area.

### The Campus

The 250-acre, pet-friendly campus that encompasses Copeland Oaks includes a 5K trail that meanders through the woods, a five-acre stocked lake, outdoor dining patios and patios with fireplaces and firepits, a putting green, community garden, and a secured community entry and exit. But most important, Copeland Oaks features a 350-strong team of employees who genuinely delight in catering to every person living here.

Copeland Oaks is located at 800 S. 15th Street in Sebring, Ohio. Tours are by appointment with evenings and weekends available. To schedule your personal tour, call 330-938-6126. The web address is CopelandOaks.com.

## Special Move-in Offer

Commit to an independent villa or apartment with a move-in date before September 30, 2022, and get two months of free rent. Plus Copeland Oaks will cover your moving costs up to \$1,500.

# Massillon Museum to host annual summer Island Party

The Massillon Museum's annual Island Party will be Friday, July 15 in downtown Massillon. The family-friendly evening will be free and open to everyone. No reservations are necessary.

The gates will open at 5:30 p.m. Food and beverage service will begin about 6 p.m., and reggae music will fill the air from 7:30-11 p.m. Rudy Turkal will emcee the show. Steel drums and fire entertainers will add to the festivities.

Carlos Jones and the Peace, Love and Unity Syndicate will return to the Island Party stage, this time on Duncan Plaza next to the museum. They deliver reggae with lyrics that concentrate on a message of peace and harmony within the human race and the environment. The music includes many original songs and an array of Bob Marley, Culture and other recognizable covers. Voted the Best Reggae/Ska Band in Northeast Ohio by the Scene Magazine readers' poll, Carlos Jones and the PLUS Band have appeared onstage with The Wailers and Ziggy Marley.

The event will span the muse-

Submitted

**The family-friendly evening is free and open to everyone.**

um's lawn, Gessner Hall in the museum and Duncan Plaza. There are two entrances to the party — one on Lincoln Way East near the front corner of the museum building and the second in Duncan Plaza near the municipal parking lot.

Drivers who want to drop off guests at an additional handicap access may enter First Street from Tremont, drop off passengers and turn onto Charles Avenue to find parking in other city lots and the

Submitted

**Guests at the previous Island Party**

parking deck. A map of parking options is available on the museum's website at [www.massillonmuseum.org](http://www.massillonmuseum.org).

A Caribbean supper of pulled-pork sandwiches, jerk chicken, hot dogs, fruit and chips will be offered for sale. The cash bar will offer beer including Jamaican Red Stripe and an island draft from Massillon's Paradigm Shift, frozen margaritas, wine, water, and soft drinks. Cash and credit

cards will be accepted. No outside food, beverages or coolers may be brought into the party.

Irie Island Jamaican Restaurant will be onsite to serve mac and cheese and plantains.

Picnic tables will be scattered throughout the party area, and permanent seating is available at Duncan Plaza, but guests are encouraged to bring their own lawn chairs or blankets.

Admission will be free and open to the public. Tropical souvenirs, glow items, leis and 2022 Island Party T-shirts designed by artist Jess Bennett will be available for sale.

In keeping with the museum's environmentally conscious tradition, recyclable products will be used, extra recycling bins will be provided and refillable Island Party water bottles will be sold.

In collaboration with a Stark Parks initiative, the Island Party has been designated a tobacco-free event.

Hula hoops and limbo lines will challenge all ages. Children's activities will be free, but parents must remain in the children's activity area with their children. The

event will carry on, rain or shine.

Visitors will be able to see "Missing History of Massillon: Unheard African American Stories" in the museum's Aultman Health Foundation Gallery until 8 p.m.

Since 1995 the Island Party has been a Massillon Museum tradition — an annual thank you to the community for its continuing support. Each year 2,000-3,000 or more area residents come.

Aqua Ohio and the City of Massillon provide in-kind support for the party. MassMu receives operating support from the Ohio Arts Council and ArtsinStark and marketing support from Visit Canton. This event is funded in part by the National Endowment for the Arts. More than 100 volunteers make the Island Party possible each year.

Free parking is available on side streets; in city lots accessed from First Street Northwest, Second Street Southeast and Erie Street North; the city parking deck on Erie Street South; and the St. George Greek Orthodox Church parking lot, entrance on South Street Southeast.

# Fundraiser benefits research for childhood diseases

By Scott Daniels

The Research Institute for Children's Health is a facility that digs into the genetics behind children's diseases to help develop new treatments. Based at Case Western Reserve University, the institute has held fundraising events in Sonoma, California and at First Energy Stadium in Cleveland since its founding in 2015 by New Philadelphia native Mitch Drumm, PhD.

On Aug. 27 at 6 p.m., a large fundraiser is planned at Columbia Woodlands in Dover. Giving Kids Hope will honor local natives and feature entertainment, auctions, a raffle, live music and food.

"Since we started in 2015," Drumm said, "we have gradually been increasing our outreach in making people aware of what we do and in our fundraising. The last two years have been remote, virtual things. This year, since we can do this in person, I really wanted to pull in people from Tuscarawas County and honor those who have made such a difference. There are just so many great people from that area."

The idea to host such a big fundraiser, likely to draw people from around the country, in Dover came about when Drumm, his wife, and friends including Dover native and Cleveland media personality Kim Scott Sowinski spent a weekend at the luxury resort.

"They came back and were just raving about how great it was and that we needed to do something there. We went and had a look, and it is indeed just perfect for us. We're very happy about the location," Drumm said.

Attendance for the event can be either in person or virtual, but those who attend the fundraiser will find themselves getting a culinary experience. The evening will be hosted by emcee David McCreary, who hosts "Cash Explosion."

File

Now in its seventh year of biomedical research, there have been advances in understanding and treating certain genetic-based childhood illnesses.

Sowinski will be honored with the Giving Kids Hope Award. Drumm will speak and help guests better understand the mission of the Research Institute for Children's Health.

Dover native and Nashville musician Max Beal will perform to wind up the evening's festivities. A raffle will be held for a trip for two to a five-night getaway at a luxury resort in Belize, a \$2,995 value.

Sowinski will be recognized for her dedication to and support of treatments of genetic-based disorders. Starting in 2017, Sowinski created two third-party fundraisers for the institute:

Hike and Seek for Research and Yoga for Research.

Previous recipients of the Giving Kids Hope Award have been the Boodjeh family in 2018; Pamela B. Davis, PhD, in 2019; and the Doris and Floyd Kimble Foundation and Jim Demuth, both in 2020.

Also speaking at the event will be New Philadelphia native Ryan Ress, who was diagnosed with cystic fibrosis as a young child. Drumm credits Ress, whose family lived next door to Drumm's as children, as the inspiration for his decision to begin research into childhood illnesses.

Submitted

Kim Scott Sowinski

The prognosis for Ress' illness improved greatly in 2012 with the advent of new treatments based on the genetics of the illness. According to the institute's website, "Ryan's successes show us that we should never say never and that it is possible to beat the odds,

as what we thought was impossible may very well be possible. This is why the Research Institute for Children's Health exists, to provide hope to the families coping with any of 7,000 other genetic disorders affecting our children."

Now in its seventh year

of biomedical research focusing on improving the treatment of genetic diseases and disorders, there have been advances in understanding and treating certain genetic-based childhood illnesses, but thousands of conditions still lack effective therapies.

Drumm was actively seeking cystic fibrosis treatments through genetic research in the early 1990s, treatments he has seen come to successful fruition in recent years.

Tickets for the Giving Kids Hope fundraiser are available at [e.givesmart.com/events/qpu](http://e.givesmart.com/events/qpu). In-person tickets are \$225 each, or virtual tickets made be had for \$25. More information about the Research Institute for Children's Health is at [www.case.edu/medicine/giving/strategic-events/giving-kids-hope](http://www.case.edu/medicine/giving/strategic-events/giving-kids-hope).

Columbia Woodlands is located at 6593 Mckracken Drive NW in Dover.

# Electric trikes provide riders fun, fitness and safety

Dear Savvy Senior,

What can you tell me about electric trikes for semi-seniors? I used to cycle a lot in my younger years but have some balance problems and don't trust myself on a two-wheeler anymore. I've read that electric-powered trikes are a good option for older riders but could use some help choosing one.

Unsteady Eddie  
Dear Eddie,

Electric-powered adult tricycles — also known as e-trikes — are a great cycling option for older adults with balance or stamina issues because they're safe, super fun to ride and easy on an aging body. Here's what you should know, along with some tips

Jim  
Miller  
Savvy Senior

to help you shop for one.

## Safer cycling

If you're interested in cycling but worry about falling or injuring yourself, e-trikes are a great choice because of the three-wheeled stability they provide. With a trike you can ride as slow as you want without ever losing your balance, which is very reassuring for most older riders.

E-trikes also come with a small electric-powered motor to enhance the riding experience, so when you saddle up and apply the throttle, the motor will give you a boost when pedaling or it will do all the work for you. This makes it much easier to whiz up hills and ride into headwinds without gassing yourself or taxing your knee joints.

In addition, most adult e-trikes also are made with a low "step through" design, making mounting and dismounting easier. They typically come with big tires that ensure a smooth ride, have ergonomic handlebars that are easy to reach and grip, and offer oversize seats — some even have backrests — for comfort and support.

*E-trikes are a great choice because of the three-wheeled stability they provide. With a trike you can ride as slow as you want without ever losing your balance, which is very reassuring for most older riders.*

There are many different types of adult e-trikes to choose from with prices ranging anywhere from around \$2,000 up to \$7,000. To shop for one, contact some bike shops in your area to see what they offer, or you may need to order

one online.

When shopping for an e-trike, pay special attention to the motor, which determines how fast it will go, and the battery, which determines how far it will go between charges.

Most e-trikes can reach speeds of anywhere between 15 and 28 mph and typically go somewhere between 20 and 55 miles on a single

charge, depending on how much pedaling you do. Battery charge times will vary too, ranging anywhere from three to eight hours.

you, ask yourself how and where you plan to ride it. If you're primarily interested in a leisurely ride around the neighborhood for pleasure, fitness or running errands, an upright cruiser e-trike that has a rear cargo basket would be a nice choice.

Some popular options in this category include Addmotor's M-340 Electric Fat Trike and M-360

ers.com; and Buzz Cerana T, \$1,700 at [www.buzzbicycles.com](http://www.buzzbicycles.com).

Or if you're looking to take longer road rides, a recumbent e-trike may be a better option. These are aerodynamic, low to the ground, have a stretched-out frame and allow you to recline with your legs positioned in front of you. Catrike at [www.catrike.com](http://www.catrike.com) and TerraTrikes at [www.terratrike.com](http://www.terratrike.com) are two of the biggest U.S. companies that make recumbent tadpole-style trikes. The two wheels are in front, and they both offer electric assist options at prices ranging from \$5,000-\$7,000.

There also are folding e-trikes, which are practical if you have limited home storage space or would like to take your trike with you when traveling. Some good options here include the Liberty Trike, \$1,600 at [www.libertytrike.com](http://www.libertytrike.com), and Eunorau New-Trike, \$2,500 at [www.eunorau-ebike.com](http://www.eunorau-ebike.com).

Send your senior questions to Savvy Senior, P.O. Box 5443, Norman, OK 73070, or visit [www.SavvySenior.org](http://www.SavvySenior.org). Jim Miller is a contributor to the NBC Today show and author of "The Savvy Senior" book.

# Talent abounds at First Town Days Talent Show

By Teri Stein

It was the first time anyone could remember a drum performance at the First Town Days talent show, the first time Lucy Posey, 11, of New Philadelphia had entered a talent show and the first time she won first place. She performed in the age 0-13 group.

The talent show was sponsored by Dover Hydraulics.

Posey played the drums to the song, "Heaven Is a Place on Earth," on a drum set that featured her name on the front. She has been playing for three years.

"My uncle, we were at this restaurant in Canton, and he just started drumming on the table and asking me to play back the beat," Posey said of her introduction to drumming. "I started doing it on my table, and then he and my other uncle got me a drum set."

Posey will enter the sixth grade this fall, where she has already signed up for percussion.

"I really want to play in a band," Posey said.

Her other interests include doing hip hop and jazz dancing. Posey studies dance at Moxie Dance Academy.

Taking second place in the age 0-13 group was Lydia Gustkey, 10, who sang "The Star-Spangled Banner" a cappella. She impressed the judges and Marc Davis, the host of the talent show.

"She did it a cappella, with no background music. That is super challenging and hard," Davis said.

Taking third place was the sister duo of Cheyenne and Betty Millard. Cheyenne sang "How Far I'll Go" from "Moana" while Betty performed a dance at the same time.

Belle Fockler, 17, of Dover took first place in the 14 and up group with her vocal performance of "Don't Rain on My Parade."

Fockler has been an area talent show favorite for years and has won many competitions. She recently returned from a week-long theater camp at Baldwin Wallace University, and she hopes to study at the school once she graduates from high school.

Teri Stein

The winners of the 14 and over group were vocalists Sami Krocker, left, third; Chloe Martin, second; and Belle Fockler, first.

"My top choice is Baldwin Wallace. It's like the number-one school in America for theater. It's right by Playhouse Square, so their students do a lot of stuff at Playhouse Square," Fockler said. "They have a showcase in New York City every year, and their students have 100% acceptance. Their seniors all get agents at the showcase in New York."

Chloe Martin of Tuscarawas took second place with her vocal performance of "Somewhere Over the Rainbow." Martin is a student at West Virginia University, where she is studying music producing.

"I've always loved the behind-the-scenes details. And I always thought it would be cool to run my own producing studio, maybe produce my own music and just become like an indie artist," Martin said, adding she also would like to produce music for other people too.

Winning third place was Sami Krocker of Goshen for her vocal performance of "In My Own Little Corner" from "Cinderella." The song has been one of her favorites since an aunt encouraged her to watch the "Cinderella" musicals when she was younger.

Krocker is a senior at Malone University, where she studies integrated social studies.

"I will be licensed to teach grades 7-12 social studies but mainly history," Krocker said.

She has already started a collection of books on history and will do her student teaching at Newcomerstown in the fall.

Judges for the competition included Cheryl Graham, who Davis called "the music queen of New Philadelphia." She has taught music for 52 years — 47 of them for New Philadelphia. Graham also is a member of the First Town Days committee for scholarships and an Ohio Music

Association judge for marching band competitions.

Another judge, Lacey Herbert-Stephon, the owner of Lacey Performing Arts Center in New Philadelphia, also is CEO of Lacey PAC Adaptive Movement Center, a nonprofit extracurricular facility for adults and children with disabilities.

Davis was appreciative to Jaime Cole-Mansfield, who agreed to step in as a judge just hours before the event started when one judge was forced to cancel.

"She has been a big part of music. She took it to the professional level and has toured many years as a front vocalist for lounge bands, dance bands and show bands. She's even sang backup for country western superstar Ronnie McDowell," Davis said in his introduction of Cole-Mansfield, who recently moved back to the area. "She's also written recorded contemporary Christian original songs, as well as provided studio work for other

professionals."

The participants were judged on attire, audience appeal, attitude and talent.

The competition in both age groups at the talent show was strong. Davis apologized to the judges for giving them the hardest job in the park.

Other contestants and their talent in the age 0-13 group were Bella Beitzel and Aria Sanner, both 11, who performed an acrobatic lyrical routine to "Loyal, Brave and True" from "Mulan;" a team of six performers — Lilly Bassett, Lily and Penelope Endlich, Aubriana Taylor, Ashtyn Patterson, and Alexandra Taylor — who did an acrobatic jazz routine to "Cruella de Vil;" Paige Martine, who sang "A Friend like Me" from "Aladdin;" and Isla Dotts, who accompanied herself on the guitar to the Dolly Parton song, "9 to 5." Dotts even encouraged the audience to sing along on one chorus.

Other contestants in the 14 and up group were Alisha

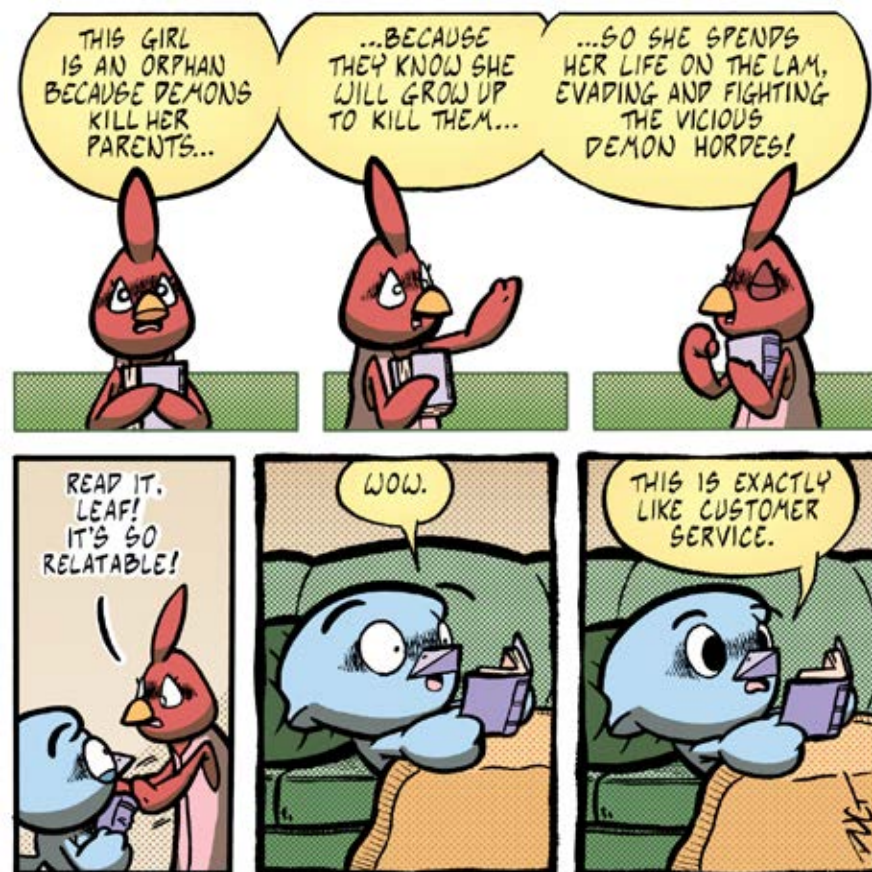

Ford, 17, who played the guitar and sang "Panic Room," and Emilie Hutton, 15, who also played guitar and sang "Riptide" by Vance Joy.

Davis encouraged all participants to continue performing, whether they won an award at the show or not. He said he had won the First Town Days talent show in 2012 but that the second- and third-place winners went on to do greater things musically.

"Trophies are great, but they are not going to last forever, and this moment in time is not going to last forever. Win, lose or draw, you guys are all awesome. I want you to know that the most winning thing you can do is to keep persevering. Keep doing what you're doing. Keep enjoying what you're doing," Davis said. "I know that all of you who came didn't just decide last night to jump in. You have all been performing, working hard for many months, many hours, and I think you all deserve that recognition."

**Reader Advisory:** The National Trade Association we belong to has purchased the above classifieds. Determining the value of their service or product is advised by this publication. In order to avoid misunderstandings, some advertisers do not offer employment but rather supply the readers with manuals, directories and other materials designed to help their clients establish mail order selling and other businesses at home. Under NO circumstance should you send any money in advance or give the client your checking, license ID, or credit card numbers. Also beware of ads that claim to guarantee loans regardless of credit and note that if a credit repair company does business only over the phone it is illegal to request any money before delivering its service. All funds are based in US dollars. Toll free numbers may or may not reach Canada.

The Village of Brewster is accepting applications for the position of

## Assistant Village Clerk

*The individual hired will be assigned to the Village Clerk-Treasurer's Office but could also be assigned to the Village's Utility Office, or float between those offices. Applicants should possess knowledge of computers and common computer software, including but not limited to word processing and spreadsheets. Entry level wage rate is \$14.48 per hour. The position is part-time, and the hours may vary but for the most part be between 7:00am to 3:30pm depending on the assignments. The position offers membership in the Ohio Public Employees Retirement System.*

Applications can be obtained at 302 South Wabash Street, Brewster, Ohio 44613 or on the Village website [www.brewsterohio.com](http://www.brewsterohio.com). Questions can be directed to the Village Clerk-Treasurer at (330) 767-4214. Deadline for submitting an application or resume is July 29, 2022.

The Village of Brewster is an equal opportunity employer.

 Map: 40.594248, -82.242549

**SATURDAY – JULY 16, 2022 – 11:00 AM**

Real estate features 170+/- wooded acres. Includes primitive log cabin on Mohican River. Timber meticulously managed for decades, recent select cut just finished. Farm has been in the Claes family for 70+ years. Signs of whitetail/wildlife throughout.

#### FARM TO BE OFFERED AS FOLLOWS:

**PARCEL #1:** 104+/- acres wooded land. Great elevations. Trail access maintained throughout. Over 2,500 ft. road frontage.  
**PARCEL #2:** 20 acres mostly wooded. Primitive log cabin located on Mohican riverbank. 1,180+ ft. road frontage and over 600 ft. of Mohican River frontage.  
**PARCEL #3:** 46+/- acres wooded land. 1,800+ ft. road frontage.

Ideal hideaway in Ashland County. Just over an hour to Cleveland/Columbus. Walk land at your leisure.

**TERMS ON REAL ESTATE:** 10% down auction day, balance due at closing. A 10% buyer's premium will be added to the highest bid to establish the purchase price. Any desired inspections must be made prior to bidding. All information contained herein was derived from sources believed to be correct. Information is believed to be accurate but not guaranteed. Property to be offered as a Multi Par auction and sold whichever way it brings the most.
