esthema A PART FROM THE REST

"Esthema has made a truly moving and magical musical experience."
—Wildy Haskell, *Wildy's World*

"...a truly exciting instrumental record."
—Rob Forbes, *Leicester Bangs*

"Esthema knows what the heck it's doing..."
—Jedd Beaudoin, *Sea of Tranquility*

"...the seamless blend of Eastern and Western motifs."
—John Collinge, *Progression*

"Esthema has added something else to the normally staid jazz-rock sound – a heavy Eastern European influence – that makes the six instrumentals on *Apart From The Rest* a unique listening experience."
—Todd Sikorski, *Skope Magazine*, March/April 2008 Issue
