To Whom It May Concern:

I am writing this letter of recommendation on behalf of Luke McGinnis. Luke has added great value to the Berklee community and I am extremely impressed with his positive attitude, commitment, creativity, and community-building spirit. Luke leads by example and goes above and beyond in all areas.

Luke is a very active community member. He is involved in the leadership of multiple clubs and is Berklee's Student Government Association (SGA) president.

I serve as co-advisor to the SGA and I have watched Luke rebuild the organization, represent Berklee's student body in high-level meetings such as the *President's Council* and the *President's Council for Diversity and Inclusion*, as well as set the stage for continued progress.

I witness Luke balance academic work, social life, SGA, and club leadership roles with great poise. Luke has an even temperament that goes well with this fast-paced environment and makes managing multiple tasks appear easy.

Luke is a great representative of the best of Berklee and has been a pleasure to work with. I look forward to continuing to work with him in the future. If you have any questions, or require additional information, please do not hesitate to contact me.

Sincerely,

Tamia Rashima Jordan
