To Whom It May Concern:

As a student musician, I found Jordan Rose to be attentive, meticulous, flexible, and open to suggestion. Jordan's tenacity and commitment earned my respect in the daylong recording session he participated in that I engineered in December 2011.

It is very clear to me that he wants to be at Berklee and is working very hard at developing a well rounded experience through diverse playing opportunities as well as diligent attention to his studies.

I wholeheartedly support his scholarship application.

Sincerely,

Carl Beatty
