The Place to Do Good

The Plantory is an exciting place where a community of people work together and collaborate to make positive social

change happen. It is a unique, vibrant shared workspace, providing support services and networking opportunities for a diverse and dynamic mix of like-minded people, non-profits, and social enterprises – a center for folks who want to Do Good, do it together, and do it more effectively.

We give your Do Good organization every opportunity to excel by providing dynamic, affordable professional space whether it is an office or a desk in the common area. The Plantory is more than a work space, it's an energizing environment with shared staff, services, and programming. It is a place in which you and your organization can set down roots and flourish.
