

# Registration Procedures

Welcome to the Del Mar Union School District. We welcome you and your student to the beginning of an exciting time in your child's life over the next seven years – one filled with learning, enrichment and expanded horizons. Every staff member in the District is committed to creating a life-long love of learning in your child, and we look forward to getting to know you and your family in the process.

The information requested in this packet of registration forms is crucial to be able to accomplish that mission. All information is confidential, so it is important to complete the forms fully and accurately.

Coming to registration with all of the requested documentation recapped below gets us all off to a great start. Thank you for coming to registration prepared. And, you are invited to visit the District website for continuing information at <[www.delmarschools.com](http://www.delmarschools.com)>. Register to receive electronic updates at the same time.
