Resolution 2006-18 of the Board of Trustees of the Del Mar Union
School District Regarding the Sufficiency of Instructional Materials
for the 2006/2007 School Year

On motion of Member _____, seconded by Member _____, the following resolution is adopted:

WHEREAS, in order to receive state instructional materials funds, the Governing Board is required by Education Code Section 60119 to hold a public hearing and adopt a resolution determining that each pupil has sufficient textbooks or instructional materials in each of the following subjects that are consistent with the content and cycles of the curriculum framework adopted by the State Board of Education: mathematics, science, history-social science, English/Language Arts, including the English language development.

WHEREAS, as part of the hearing required, the Governing Board must also make a written determination as to whether each pupil enrolled in a foreign language or health course has sufficient textbooks or instructional materials that are consistent with the content and cycles of the curriculum frameworks adopted by the state board for those subjects.

WHEREAS, "sufficient textbooks or instructional materials" means that each pupil, including English learners, has a textbook or instructional materials, or both, to use in class and to take home to complete required homework assignments. This does not require two sets of textbooks or instructional materials for each pupil.

THEREFORE BE IT RESOLVED, that the Governing Board of the Del Mar Union School District hereby determines, as required by Education Code Section 60119, that the school district has sufficient instructional materials for each pupil in the following areas:
