The Del Mar Hills Academy 5th grade students will perform a fun, science related song about the sun, which is coordinated with a PowerPoint presentation depicting student renderings of the sun. Nancy Swanberg, science specialist, will accompany the students. Nicole Nelsen, art specialist, and Susie Hopper, technology specialist were the teacher advisors for this project. The Hills Academy's 2nd-6th grade student council representatives completed the PowerPoint layout and design.

Members of the Academy's chorus and 5th grade students will sing the Del Mar Hills "PeaceBuilder's" anthem written by Jodi Neilson, music specialist. The performance will be accompanied by a student developed PowerPoint that includes candid shots of students displaying the values of being a "PeaceBuilder Citizen." Photos were taken by the Hills Academy Digital Photography / Yearbook Clubs and put together by our Student Council under the leadership of teachers, Susie Hopper, Andrea Sleet and Stephanie Spooner.
