Subject: Board Approval of Advertising for Bids for Classroom and Office Supplies

The District has been a member of the North County Education Purchasing Consortium for over ten years and currently uses the consortium bid when purchasing classroom and office supplies. The purchasing consortium bid is awarded to several vendors which often requires the sites to order from more than one vendor and process several purchase orders. This creates additional work when tracking orders. To streamline this process and develop a standard list of supplies, the Business Department is recommending that the Board approves advertising for classroom and office supply bids. The Business Department will work closely with the sites and departments to develop a complete list of supplies for use as bid specifications.

If the Board approves the request to advertise, the ads will be posted in March and bids will be due in late April. This will allow for award of the contract at the May 23, 2007 board meeting. The contract will be effective June 1, 2007 and ready for site use when preparing supply orders for the 2007/2008 school year.

FISCAL IMPACT: The expenditure for advertising this bid will be charged to the Business Department advertising budget. Expected expense for the ad is \$135.00
Remaining balance after this expenditure: \$465.00
Remaining balance is sufficient to pay for expected expenses for the remainder of the year

RECOMMENDED: The Superintendent Recommends That the Board of Trustees Approves the Advertising Requesting Bids for Classroom and Office Supplies.

Subject: 2006-2007 Second Interim Financial Report, Cash Flow, and Multi-year Projection

In accordance with Education Code Section 35053 (g) and Assembly Bill 1200 (Chapter 1213/91), the Second Interim Report as of January 31, 2007 is attached for your review and approval.

Revenues

District's General Fund revenues have been adjusted for changes in funding since the First Interim Report as of October 31, 2006. Property Tax revenues were reduced by \$374,276 for Second Interim according to reports published by the San Diego County Tax Assessors Office. Property Tax revenues will continue to be monitored by business office staff and adjusted accordingly. There is a reduction in the 2006-07 projected reserves due to less than anticipated property taxes.

Federal Revenues

Federal revenues consist of special education entitlements and No Child Left Behind (NCLB) restricted grants for Title I schools, Title II for staff development, class size, and principal training, Drug Free School grants, to name a few. Federal revenues did not receive a COLA. Negative fiscal impact is that any salary and benefit increases of staff funded by these programs will have to be fully subsidized by general operating funds or increased general fund contribution to affected programs.

State Revenues

The State was generous with new categorical funding for the 2006-07 school year. Our District received an additional \$688,012. The funds were apportioned as restricted funding and earmarked for particular purchases. There are no additional one-time monies in the Governor's Proposed Budget for the 2007-08 school year. New categorical programs in 2006-07 which were designated as on-going, will continue in 2007-08.

Expenditures

Since budget adoption in June, the main increase to expenditures was the result of the collective bargaining agreement. The 5% increase to salary schedules for all employees increased expenditures by \$1,236,338. There was no increase to the health and welfare benefit cap. Increases in health insurance premiums were passed along to the employee. This increase in expenditures was partially offset by the increase in property tax revenue over the Original 2006-07 Budget. The estimated increase in August 2006 was \$972,188. For more information please refer to the AB1200 report which was presented to the Board of Trustees at the August 20, 2006 board meeting.

Several other revisions were approved by the Board of Trustees at regular board meetings. District accounts are monitored and updated every month to reflect these revisions.

Fund Balances, Reserves

The Education Code requires that districts maintain a minimum of 3% reserves for economic uncertainties. This minimum reserve level is viewed by many as inadequate to sustain any district for more than a few weeks. As a Basic Aid district, School Services of California, Inc. suggests a much higher reserve level. Their suggestion is equal to the amount of property tax revenue that is in excess of the State guaranteed Revenue Limit. The calculation for the Del Mar Union School District is as follows:

Conclusion for Second Interim 2006-07

A review of the District's projected year totals for the General Fund reveals that expenditures and other transfers will likely exceed revenues by \$883,605. The 2006-07 collective bargaining agreement, which was adopted by the Board on August 30, 2006, originally contributed to the deficit spending in the General Fund. Updated information regarding property tax revenues have caused the district's deficit spending to increase. The district historically has increased reserves annually when the books are closed in September. For 2006-07 it appears that the current level of deficit spending will result in a reduction in reserves at year-end.

To remain fiscally sound, the District is committed to avoid ongoing expenditures that exceed revenues. The District maintains the required 3% reserve for economic uncertainty and revolving cash fund. Undesignated General Fund Balance is projected at \$2,940,288.

Multi-Year Projection

The multi-year projection report is used to illustrate the District's financial position for the next two fiscal years. Revenue assumptions used were a 8% increase in property taxes annually for the next two years. The Del Mar Union School District Education Foundations annual pledge of \$600,000 remains in the budget pending action by the Board of Trustees. Staffing levels were increased by the additional staffing necessary to open Ocean Air in 2008-09. Existing staffing salaries were increased by adding in 2.5% each year for step and column movement. The district is projected to meet it's financial obligations through 2008-09. There is an increase in the projected Undesignated General Fund Balance at the end of the 2008-09 school year of \$398,143.

Criteria and Standards

Beginning at the 2005-06 Unaudited Actuals, the State has expanded the financial reports to include additional financial indicators. These financial indicators are a series of questions geared to give additional information to the stability of the district. The district has received favorable qualification on each section. I would recommend a review of the Criteria and Standards section of this report at the end of this section.

Enterprise Fund – Childcare

Current Board Policy requires that the Enterprise Fund be self-supporting. All District resources that are utilized by any childcare program are paid directly by the Enterprise Fund. There is no financial burden on the General Fund by operating any childcare program. Please see the attached spreadsheet that details each individual program operated.

FISCAL IMPACT: Revenues have been adjusted to reflect the most current information available.
Expenditures were increased to reflect board approved budget increases.
Fund balance changes are a result of revenue and expenditure updates.

RECOMMENDED: The Superintendent recommends approval.

The district historically has increased reserves annually when the books are closed in September. For 2006-07 it appears that the current level of deficit spending will result in a reduction in reserves at year-end.

To remain fiscally sound, the District is committed to avoid ongoing expenditures that exceed revenues. The District maintains the required 3% reserve for economic uncertainty and revolving cash fund. Undesignated General Fund Balance is projected at \$2,940,288.

Multi-Year Projection

The multi-year projection report is used to illustrate the District's financial position for the next two fiscal years. Revenue assumptions used were a 8% increase in property taxes annually for the next two years. The Del Mar Union School District Education Foundations annual pledge of \$600,000 remains in the budget pending action by the Board of Trustees. Staffing levels were increased by the additional staffing necessary to open Ocean Air in 2008-09. Existing staffing salaries were increased by adding in 2.5% each year for step and column movement. The district is projected to meet it's financial obligations through 2008-09. There is an increase in the projected Undesignated General Fund Balance at the end of the 2008-09 school year of \$398,143.

Criteria and Standards

Beginning at the 2005-06 Unaudited Actuals, the State has expanded the financial reports to include additional financial indicators. These financial indicators are a series of questions geared to give additional information to the stability of the district. The district has received favorable qualification on each section. I would recommend a review of the Criteria and Standards section of this report at the end of this section.

Enterprise Fund – Childcare

Current Board Policy requires that the Enterprise Fund be self-supporting. All District resources that are utilized by any childcare program are paid directly by the Enterprise Fund. There is no financial burden on the General Fund by operating any childcare program. Please see the attached spreadsheet that details each individual program operated.

1. Special Education Pass-Through Exclusions						
For districts that serve as the administrative unit (AU) of a special education local plan area (SELPA):						
a. Do you choose to exclude from the reserve calculation the pass-through funds distributed to SELPA members?						
b. If you are the SELPA AU and answered Yes to excluding special education pass-through funds:						
1. Enter the name(s) of the SELPA(s):						
2. Amount to be excluded from the reserve calculation for special education pass-through funds (Fund 01, resources 3300-3499, 6500 and 6510, objects 7211-7213 and 7221-7223)						
2. District ADA						
Used to determine the reserve standard percentage level on line F3d (Form AI, Estimated P-2 ADA column, lines 1-4 and 22)						
		3,614.47		3,819.95		4,010.90
3. Calculating the Reserves

d. Reserve Standard Percentage Level (Refer to Form 01CSI, Criterion 10)		3%		3%		3%
e. Reserve Standard - By Percent (Line F3c times F3d)		1,070,840.22		1,115,483.64		1,160,820.51
f. Reserve Standard - By Amount (Refer to Form 01CSI, Criterion 10)		0.00		0.00		0.00
g. Reserve Standard (Greater of Line F3e or F3f)		1,070,840.22		1,115,483.64		1,160,820.51
h. Available Reserves (Line E3) Meet Reserve Standard (Line F3g)		YES		YES		YES
In determining Line F3h, if the Unrestricted Ending Fund Balance, Line D2 of the Unrestricted Worksheet (or the combined Unrestricted and Restricted Ending Fund Balances if the Restricted Ending Fund Balance is negative) is less than the sum of Designated for Economic Uncertainties, Line E1a, and the Undesignated/Unappropriated Amount, Line E1b, then the difference is subtracted from the Total Available Reserves, Line E3, before comparing the Total Available Reserves (Line E3) to the Reserve Standard (Line F3g).

Provide methodology and assumptions used to estimate ADA, enrollment, revenues, expenditures, reserves and fund balance, and multiyear commitments (including cost-of-living adjustments).

Deviations from the standards must be explained and may affect the interim certification.

CRITERIA AND STANDARDS

1. CRITERION: Average Daily Attendance

STANDARD: Funded average daily attendance (ADA) has not changed by more than two percent in any of the current year or two subsequent fiscal years, since first interim projections.

District's ADA Standard Percentage Range: -2.0% to +2.0%

1A. Calculating the District's ADA Variances

DATA ENTRY: First Interim data that exist will be extracted; otherwise enter data into the first column for all fiscal years. Second Interim Projected Year Totals data for Current Year are extracted. If Second Interim Form MYPI exists, Projected Year Totals data will be extracted for the two subsequent years; if not, enter data into the second column.

2B. Comparison of District Enrollment to the Standard

DATA ENTRY: Enter an explanation if the standard is not met.

1a. STANDARD MET - Enrollment projections have not changed since first interim projections by more than two percent for the current year and two subsequent fiscal years.

Explanation:
(required if NOT met)

3. CRITERION: ADA to Enrollment Ratio

STANDARD: Projected second period (P-2) average daily attendance (ADA) to enrollment ratio for any of the current year or two subsequent fiscal years has not increased by more than one half of one percent (0.5%) from the historical average ratio from the three prior fiscal years.

3A. Calculating the District's Historical ADA to Enrollment Ratio Standard

DATA ENTRY: Unaudited Actuals data that exist will be extracted into the P-2 ADA column for the First Prior Year; otherwise, enter First Prior Year data. P-2 ADA for the second and third prior years are preloaded. First Interim data that exist will be extracted into the Enrollment column; otherwise, enter Enrollment data for all fiscal years.

Del Mar, CA 92014-2716

Dear Mr. Bishop:

This is to confirm the appointment with Dena Whittington, Assistant Superintendent of Business Services to conduct your Coordinated Review Effort (CRE) and School Meals Initiative Technical Assistance Review (SMI). The review will begin on Thursday, March 22, 2007. The entrance conference, explaining the scope of the review, will begin at 9:30 A.M. I would appreciate having you or your designated representative(s) attend both the entrance and exit conferences. The exit conference will be scheduled at the conclusion of the review.

The review procedure will allow me to evaluate your program for compliance with the standards of the CRE and other applicable federal and state regulations. Visits will be made to your administrative office, two sites, and commodity food storage areas.

The review will entail examination of program documents. It is suggested that you take the time to examine the attached enclosures and have the specified documents ready and available for the review. A work area with a desk or table would be appreciated. Please complete Attachment A and return to me no later than February 26, 2007.

The CRE review and its final report will give you an overall assessment of your nutrition program. Program guidance will be provided as needed to assist with corrective action documentation (CAD).

As part of the School Meals Initiative Technical Assistance Review, your menu documentation will be compared to the nutrient analysis you perform each week under Nutrient Standard Menu Planning meal option. The main purpose is to determine if your served menu meets nutrition goals established for key nutrients. The results of this analysis will be discussed with you during the review and a corrective action plan will be developed if needed.

Thank you for your cooperation in this effort. Please contact me at if you need additional information.

Sincerely,

Linda Grondin, Child Nutrition Consultant

Subject: 2007-2008 Budget Calendar

As the 2006-2007 school year is just half over, it is time to start planning for the 2007-2008 Budget. Attached please find the calendar which outlines the steps involved in the budget process.

The first milestone for the Business Department in drafting the 2007-2008 Budget will be the calculation of step and column. Step and column applies to existing staff, both classified and certificated. Individual placement on the district salary schedule determines whether an increase will apply. Certificated staff may also advance due to credits earned toward an advanced degree. Results of this calculation will be presented to the Board of Trustees at the March public meeting.

FISCAL IMPACT: Presentation of this calendar is for information only and does not affect estimated revenues, expenses, or projected ending fund balances in the 2007-2008 Budget.

RECOMMENDED: No action required, for information only.
