6	36	36	36	36	36		180	180
Total	197	197	197	241	203	0	1035	

- Notes: 1 Times for K are 2 30 minute sessions/week rotated among 5 subjects
 2 Times for 1st & 2nd are based on the rotation schedule where over a 10 week period they see each subject 6 times = 60% of the 40 minute block
 3 Times for 3rd are a 50% rotation of the 40 minute block
 4 Times for 4th are based 180 minutes of ESC/week (in 45-minute blocks) rotated among 5 subjects
 5 6th grade students have 180 minutes of ESC each week. Over the course of the year they rotate across different subjects. The number indicated is an estimate because students have some choice of the curriculum
 6 AP = Applied Projects in Technology (24 min/week at 1st and 20 min/week at 3rd) these minutes are already added into the Tech & AP column
 7 Yellow shaded is delivery but doesn't count as ESC prep coverage

- Notes: 1 PE doesn't cover prep time, except for grades 1 and 2
 2 Times for K are 2 30 minute sessions/week rotated among 5 subjects
 3 Times for 1st grade is based on 4 30-minute blocks/week, rotated among 5 subjects = 24 min week/avg
 4 Times for 2nd grade is based on 4 30-minute blocks/week, rotated among 5 subjects = 24 min week/avg
 5 Times for 3rd grade based on all classes getting 30 minutes of PE and 3 40-minute blocks each week rotated among 4 subjects
 6 Elective at 5/6 is choice into additional specialist time in different areas
 7 Yellow shaded is delivery but doesn't count as ESC prep coverage

Overall Comments

At most of the sites, additional specialist time is used to provide targeted small-group lessons in band, chorus, math, language arts, test prep, assembly rehearsals, art literacy, specialized team teaching of art curriculum tied to classroom content, push-in to help combo classes, Spanish language instruction, etc.

Option 1

Specialist Time (minutes per week)

	Music	Art	Science	Tech	PE	Other	Total
K							0
1	20	20	40	20			100
2	20	20	40	40			120
3	20	20	40	40			120
