

Everyone's Cooperation is Needed to Help Keep Our Kids Safe

ABOUT OUR VALET SERVICE:

Parent volunteer and staff member valets assist unloading and loading students in the drop off /pick up zone each school morning and afternoon. Our thanks to you drivers for your patience and cooperation following the drop off and pick up procedures at Sycamore Ridge.

Your cooperation is appreciated and expected to ensure your child's safety and to expedite the process. We have many kids to unload and load up in a short period of time. Please help us ensure the safety of all children and drivers by following the instructions below:

GENERAL INSTRUCTIONS FOR EVERYONE:

- Have backpacks in the car, zipped up and ready to go before entering the unloading zone. Please do not place backpacks in the trunk.
- PULL FORWARD AS FAR AS POSSIBLE, STAYING IN A SINGLE LINE IN THE DROP OFF/PICK UP LANE.* Please **DO NOT** pull in front of another vehicle to get in the loading/unloading lane. To do so is both unsafe and impedes the flow of traffic.
- Students should exit and enter from the curbside only
- Remind your child to wait in the designated grade level area after school to be picked up (in front of the office area). We don't want our kids entering into cars where there is no supervision!
- Playground supervision for K – 6th grade begins at 7:45 a.m. on the primary side of the school only. Students are not allowed on campus before 7:45 a.m.

Thank you everyone for taking the personal responsibility necessary to keep our children safe and to help us avoid vehicle collisions!
