

Please Consider Keeping Del Mar Hills for Our Kids

Hi,

I'm writing to urge you to consider addressing the budget issue facing our school district by first and foremost making it a priority to consider options that impact our children the least. The budget problem is a temporary issue and considerations to close any school will be a permanent blow to the community and severely impact the lives of 300 children. I support the 7/11 committee proposals (C and E) that do NOT involve School Closure. Thanks for your support and attention to this important issue for our kids and our community.
