

To Members of the 7/11 Committee:

To be concise, why are we still discussing any other proposal beyond the closing of Del Mar Hills School?

The Hills is under-enrolled, sits on property that is owned by the DMUSD, has no Mello Roos, nor City Park land near it, and there is a school that is within 3 miles of it where the children can still attend their "neighborhood school."

The DMUSD is having a budget crisis, needs to relocate the Administration offices along with Maintenance resources, we own The Hills, and it has an auditorium appropriate for the many public meetings.

Why is this not being voted on now! The many emotions that are being voiced, and heard, is strictly that, emotions! Families affected by the closing will gripe for a short time, and move on with their children's educations. They will still receive the same high level of education and nuturing that they now receive. Further,e neighborhood is aging- a shrinking number of children who will require an elementary education.

The Hills needs to close.
