

Regarding the 7/11 pro/con worksheet on the website at:

<http://www.dmusd.org/district/files/openFile.aspx?fileID=8394>

As a Del Mar Hills parent, I would like to respectfully request an additional criteria: Walking student safety. I'm sure many of the proposals have an impact on the safety of students who walk to school, I am fairly certain that proposals B and I will force students to cross Del Mar Heights Road. (I'll likely be walking with my two daughters).

Thank you,
