CLASS LISTS (please read carefully for electronic posting instructions):

DEL MAR UNION SCHOOL DISTRICT

The District is mailing a letter to DMUSD parents that will provide parents with information to access the 2010/2011 electronic class lists on the District website. With the child's Student ID number and birth date parents will be able to access the following: teacher name, room number and the first names with last name initial of the other students in the class.

When parents access the 2010/2011 class lists on the website, both new and returning parents will be asked to provide the District with a current e-mail address. We are optimistic that every DMUSD parent will register their e-mail address so that we can provide all DMUSD families with important electronic communication during the 2010/2011 school year, including site/district newsletters, and information concerning Board meetings, site PTAs, After School Child Care, school and all other important information. *Please Note: The District maintains the same confidentiality with e-mail addresses as it does with all other student information provided on student enrollment forms. The District does NOT distribute parent e-mail addresses to other organizations.*

LUNCH AND MILK:

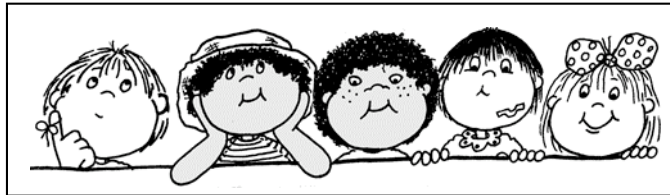

The San Dieguito Union School District will continue to provide National School Lunch Program services to DMUSD students during the 2010/2011 school year. More information about the 2010/2011 lunch program will go home with students on the first day of school. BE A GOOD COMMUNITY NEIGHBOR:

Help your school ease the morning and afternoon traffic congestion at your site in the following ways:

- ☆ Be ready to greet your school's "valet" helpers with a quick response – children ready to go, and you're on your way! Most of the District's schools have implemented a form of "valet" drop off service in the morning, which helps automobiles get through the school parking lot quickly.
- ☆ Walk to school with other friends and neighbors!
- ☆ Carpool with other friends and neighbors!
- ☆ Park your car two blocks away from school, and walk your child to his/her classroom.

Please be sensitive to the community neighbors surrounding your school site. If your children are walkers, remind them to stay on the sidewalks whenever possible, and not to trample the grass, break shrubbery or leave litter.

If your school indicates a preferred route to and from school, please observe it. **The District is asking parents and staff to use Carmel Mountain Road as the approach to Sage Canyon School, instead of Amberglades.**

Thank you for your cooperation in minimizing site traffic congestion.

Reminder:

- ☆ *Before school supervision begins at 7:45 a.m.*
- ☆ *There is no after-school supervision on playgrounds. Please pick your child(ren) up promptly at dismissal time. If you need after school care, please contact the After School Programs office at 858/793-0071.*

Thank you for your assistance.
