PEANUT/NUT ALLERGY ANNOUNCEMENT

Dear Parents:

We would like to inform you about the PEANUT/NUT AWARE PROCEDURES which will be in effect in school for the 2010-2011 school year. Several students at Ocean Air School have life threatening peanut/nut allergies.

Prevention is the best approach. Therefore, we ask your cooperation in not sending any class treats or class snacks containing peanut/nuts or peanut/nut products to school. Your child MAY bring peanut/nut products for their personal snacks or lunches; however, these items must be kept safely contained within your child's lunch box while in the classroom.

Students who have severe allergies to food substances such as peanuts or other nuts are exposed to severe health risks when peanut/nut products are consumed in their environment. Please speak to your child about NOT SHARING their snacks, lunches, or drinks with other students and about sitting at the designated peanut/nut free table at lunch ONLY when their lunch is peanut/nut free.

Your understanding and cooperation in ensuring that Ocean Air School is a PEANUT/NUT "AWARE" SCHOOL is greatly appreciated.

Thank you!

Sincerely,
Ryan Stanley, Principal
