

After School Hoops: Grades 1-3 & 4-6

After School Hoops® is a weekday afternoon basketball program for aspiring young players. The one hour instructional classes combine fundamental skills instruction with organized team competition, with the goal of providing an enjoyable and educational after school athletic event. Developing players benefit by improving their individual skills such as passing, dribbling, shooting, rebounding, and defending while, at the same time, learning how to work within the framework of a team. Boys and girls of all skill levels are encouraged to join.

One of the many merits of After School Hoops® is it provides school children with an organized after school event at which they can learn, socialize, and most of all, have fun. Parents and teachers often express concern that idle and unsupervised after school hours provide too many negative temptations for their children. Using athletics as the vehicle, After School Hoops® provides children with an opportunity to improve their overall physical fitness, develop sportsmanship and athletic integrity, and gain an understanding of the game of basketball.

Elementary school children are at their linguistic best. There is no better time to lay the foundation for advanced learning and fluency.

Continually developed and refined, *Sing 'n Speak Spanish* is a multi-level curriculum taught in more than 100 elementary schools to over 10,000 students since 1998. To learn more about us, go to www.singspeak.com.

Classes meet weekly after school October through May for a total of 28 classes. Each lesson is 45 minutes long with a maximum of just 12 children per class. Tuition includes all materials – music CD's, songbooks, workbooks and prizes.

For more information or for payment options, call Julia Burnier at 619-223-2508 or e-mail at julia@singspeak.com. Tuition is \$455.00/year. Make checks payable to Sing 'n Speak Spanish, Inc.

Note: Most Kindergarteners who take Year 1 Spanish benefit by repeating Year 1 Spanish in 1st grade.

Note: We are unable to offer all five levels of Spanish at all the Del Mar schools. Your child is welcome to attend a higher level class at another Del Mar school. The classes listed below will be offered as one hour classes, where the first 15 minutes of class will be review - allowing time for students from other schools to arrive in time for the 45 minute lesson.

The Del Mar Union School District After-school Program staff receives training from Kids Included Together (KIT) on the inclusion of children with special needs.
