On the Friday prior to the start of the new school year, Ashley Falls held a school-wide Back to School Visitation. All students in kindergarten through sixth grade had an opportunity to visit the school, view class lists, and make a brief visit to their classroom to meet their teacher. The day was a huge success for both staff and students. It was such a pleasure to see all the students and their families. The Welcome Back Visits contributed to an excellent opening with a very smooth first day of school.

Ashley Falls opened the 2010-2011 school year with the addition of a straight 1st grade classroom, a 2nd/3rd combination classroom, and a total enrollment of 443 students. Thirty-one new families, some from as far away as Canada and China, were welcomed to our school. The annual 'Boo Hoo' breakfast was well attended by parents of kindergarten students as well as families new to Ashley Falls and the community.

Back to School Night was well attended. Each teacher or team gave two presentations to accommodate parents with more than one child. Fifteen minutes prior to classroom presentations, parents were treated to an iMovie featuring students on the first day of school, new staff members and messages from the Principal, DMSEF President, Drew Isaacman and PTA President, Jeanette Nichols.

We're ready for our best year yet!

THAT WAS THEN, THIS IS WOW!

The first day of school at The Hills was full of promise and a new beginning! The air was bursting with excitement as kinders arrived for their first school experience. They were shining stars who were dressed with smiles in their finest attire as they were delivered hand-in-hand with their parents. Sixth graders proudly entered as the reigning students. Teachers eagerly awaited their new students at their front doors with warmth and tenderness.

As the children walked through the classroom doors, parents breathed a sigh of relief and with a few tears. I thought what a great beginning. However, there was more to come as parents filed into the PAC for the "Welcome Back Breakfast" for parents. The room filled with adults celebrating and conversing about their children, their summer and their lives. Again, smiles and laughter were abundant.

As students departed for the day, I asked as many as I could how their first day went. With those crooked smiles, and without exception, they said it was great.

Back to school Night was well attended. The Performing Arts Center was filled with interested parents. After an introduction of our outstanding staff, a "state-of-the-school" principal message and the PTA president's message; parents attended their choice of two presentations by each teacher.

That is the way the Hills' opening felt – like a fresh start and a new beginning ensconced with moving forward as a community committed to excellence for children.

Ocean Air School opened the 2010-2011 school year with 747 students and families bounding onto campus to start another exciting school year!

As families came upon Ocean Air, many marveled at the sight of our new childcare building. Our new 3000 square foot building is simply gorgeous and blends right into the design of the school – it is as if it has been here all along! Our students in childcare are thrilled to have a new, dedicated space of their own. Perhaps most impressive of all is the fact that the building was constructed in just 57 days!

Every new school year brings new and familiar staff faces. I am pleased to introduce our new staff members: Mr. Chris Delehanty will be joining our staff as part-time Assistant Principal, sharing his duties between Sage Canyon and Ocean Air. Debbie Cole will be joining us in fourth grade, Kay Francis will be in second grade, and Michelle Beeson will be teaching music. Additionally, we are happy to add Jeremy Owen who will serve as our school psychologist. We are so lucky to have enthusiastic, experienced educators join our fabulous Ocean Air staff!

In addition to those joining us, we have a number of familiar faces in new places. Mrs. Patty Tyson will be joining the 6th grade team, Mrs. Katrina Graupmann will be joining the 5th grade team, Ms. Jodi Neilson will be teaching 2nd grade, and Mrs. Mare Peddie will now be teaching Kindergarten.

In framing our work for the year, we know that students who feel safe, connected, and engaged in school are more likely to learn well. All staff and students will work together this year to implement and refine a school wide plan that promotes a safe and productive learning atmosphere.

To this end, we are grateful to our PTA for their generous gift to school to support our school-wide goal. PTA is sponsoring Playground Partners, a professionally directed, parent volunteer program designed to enrich the school playground experience for kindergarten through 6th grade students by providing age-appropriate games and activities. Playground Partners focuses on using the playground as an authentic classroom to reinforce positive social skills including effective conflict resolution, respectful communication, confidence, sportsmanship and teamwork. Playground Partners will be during lunch on Tuesdays and Fridays.

We look forward to another great year of learning!

Opening Week Highlights

On opening day, Sage Canyon staff were enthusiastically greeted by the smiling faces of 762 students and families. The Kindergarten orientation and new student tours were very well attended on Friday, August 27th as was Back to School Night on Thursday, September 2nd. Parent comments during the first week of school focused on the addition of Mr. Chris Delehanty as Assistant Principal and the outstanding condition and cleanliness of the school campus.

Heartfelt Good-byes and Warm Welcomes!

Over the summer, several changes were made to adjust staffing based on enrollment patterns at the various grade levels. Lisa Shepherd is now be a member of the first grade team, Kindergarten teacher, Wendy Wojtkowski, transferred to Carmel del Mar School, and former art teacher Shayne Singleton joined the fifth grade team. In addition, we welcomed two new additions to the Sage Canyon staff. Please extend a warm welcome to the new members of the Sage Canyon family!

Shannon O'Connell, Shayne Singleton, and Julie Klein

Shannon O'Connell

Shannon will be our full time ESC art teacher. Shannon received her BA in Art History from UC Santa Barbara and her Multiple Subject California Teaching Credential from Cal State San Marcos. Prior to coming to Sage, Shannon taught English at a school in Japan, served as a librarian at an elementary school and most recently was an instructional assistant for a special needs student at Ashley Falls School. Shannon did her student teaching at Sage Canyon with Wendy Correria during the 05-06 school year and is thrilled to be back at Sage Canyon and excited to continue the tradition of an outstanding art program for students.

Julie Klein

Julie Klein will be joining the Sage Canyon staff as a part time ESC teacher with specific subject authorization in Mathematics and Science. Julie will be supporting first and sixth grade students in math and science. Julie received her BS in Biology with a minor in chemistry as well as her Multiple Subject California Teaching Credential from Cal State San Marcos. Most recently she taught eighth grade physical science at Rancho Santa Fe Middle School. Julie is a perfect fit for Sage Canyon and the entire staff is overjoyed to have her with us.

Opening Week of School

The first day of school was filled with excitement as we welcomed 472 (K-6) Stallion Students, 30 Special Needs Preschoolers, and our "Littlest Ponies" in the Child Development Center to our campus this year.

Every new school year begins with the excitement of seeing familiar faces and meeting new ones! We are pleased to introduce our new staff members: Mrs. Jennifer Fletcher, joining us in Kindergarten, Kristin Bonaguidi in First grade, Heather Kowieski (A.K.A. Sullivan) is back at Second grade and Ms. Sam Ung has joined our ESC team, teaching Science.

Day one began with a "Boo-Hoo Breakfast" sponsored by the PTA. We shared and shed happy tears with the Kindergarten parents as they learned about the Kindergarten schedule and program. An all school assembly to introduce students to Stallion staff members and Extended Studies Specialists followed our relationship-building event. The purpose of the assembly was also aimed at providing important school-wide information and behavioral guidelines.

PTA sponsored Boo-Hoo Breakfast for Kindergarten Parents

Back to School Night was a buzz with positive energy! Parents were invited to a general session led by the Principal. Del Mar Schools Education Foundation Ambassadors and PTA Leaders were on hand to share information about the goals and purpose of these important organizations. Sycamore Ridge's Volunteer Fair held during the general session provided a successful venue for welcoming parent partners in the education of our children. The outcome of these efforts garnered much support for exciting programs planned for this year such as Lunch Clubs, Everyone a Reader, and RidgeRaising to name a few.

A new program we are excited about implementing this year, is the **Cultural Ambassador Program** sponsored by our PTA. This program is a way to recognize the various cultural groups at SR and encourage involvement and participation by everyone. Twelve of our SR parents have volunteered for this very important role, representing eight different languages spoken by our diverse school population. Our cultural ambassadors were introduced at the Back to School Event, each introducing themselves in their native tongue. They will be working closely with the PTA, and will be available to help translate information about school programs and school events.

Parent Education - *Implement a program that allows all parents to be able to participate fully in the learning of their children through parent education.*

Professional Learning Communities/Assessment FOR Learning and Essential Elements of Instruction- *Establish and determine grade level common assessments based on essential standards, identify and use strategies and resources to maximize learning for all.*

Excellence can be achieved if you expect more than others think is possible.

Board Report on Opening Day of School

We've had a wonderful start to our 2010-2011 school year! Our teachers and staff welcomed 721 happy and enthusiastic children.

This year we have 5-6 classes at each grade, K-3. One class combines second and third grades. While we have relatively few combination classes in our district, our schools work very hard to provide the support that makes these combined classes a unique and special experience for our children. In grades 4th-6th there are 4 classes at each grade.

We've increased our ESC staffing. In addition to full time Technology, Science, and Art teachers, our Music teacher is here 4 days per week; the PE and Academic Enrichment specialist teachers are here 4.5 days per week. These specialists work closely with classroom teachers to provide enriching experiences for all children at Torrey Hills.

*Opening Enrollment 720 students.
Kindergarten - 6th Grade*

Subject: Agenda Item 7.1: Board Approval of Participation in Foundations of American History Grant Program.

Del Mar Union School District applied for the Foundations of American History Grant during the 2009-2010 school year. Due to the mandatory minimum numbers of students required to receive the grant, DMUSD partnered with San Marcos Unified School District in its application. The focus of this grant was integrating American history, language arts, and technology. We are proud to announce that our grant application was successful and we are one of the recipients of the highly prestigious Teaching American History Grants from the Department of Education. As a result, thirty-eight fifth grade teachers from the Del Mar Union School District and San Marcos Unified School District will have the opportunity to receive extensive training as they delve into the foundations of our nation's history. The grant is funded for three full years; then the grant will receive further funding for the final two years based on evaluation feedback.

Goals for the Foundations Grant:

- Increase History Content Knowledge for Teachers
- Integrate History Content into English Language Arts
- Utilize Web 2.0 Technology as an Instructional Tool
- Increase Student Knowledge of American History
- Utilize Historical Thinking and Content Literacy Skills
- Foster a History Based Professional Learning Community

To determine the needs of teachers in DMUSD in this area, a survey was sent to all fifth grade teachers to collect data in our district. The information was used in the process of applying for the multi-year grant. The surveys overwhelmingly suggested a need to support our teachers through professional development in the teaching of American history. Teachers' involvement in the program is voluntary and includes a variety of options: participant, buddy teacher, or member of the control group with the opportunity to be a buddy teacher the following year.

It is recommended that the district accept the Teaching American History Grant funding and participate in the program.

FISCAL IMPACT: **Cost** – No Cost to the District. The grant generates a total of \$822,216 in revenue over three years with potential for two additional years funding to be divided between Del Mar Union School District and San Marcos Unified School District.

Program or Department – Instructional Services

Is this a Restricted Program? No

Was this expenditure anticipated in the adopted budget? No

Will this Program or Department be over budget after this expenditure? No

RECOMMENDED: The Superintendent recommends approval to accept the grant funding and participate in the program.

The Del Mar Union School District strongly supports community involvement in the National Walk to School Day, this year being held on Wednesday, Oct. 6, 2010. All schools participate in this event and they have, in turn, invited participation from staff and parents. Because of the District's focus on student safety, along with the alternate modes of transportation that parents are implementing, this proclamation is worthy of Board consideration and approval.

The District encourages the participation of all sites in the Walk to School campaign on this day.

**RESOLUTION 2010-20 OF THE BOARD OF TRUSTEES OF THE

PROCLAMATION SUPPORTING INTERNATIONAL
WALK TO SCHOOL DAY ON OCTOBER 6, 2010**

Now that school is in session, more children are walking to and from neighborhood schools - many of them during the busiest time of the day, a time of the day when many motorists are rushing to work or heading home after a tiring day at work. It is vital that the safety of our children is addressed by making walking safer in our community. Each year, an estimated 5,700 pedestrians are killed - one out of seven of those are children.

WHEREAS, hundreds of children could be saved each year if every community takes steps to make pedestrian safety a priority; and

WHEREAS, parents and caregivers should teach children about pedestrian safety and become aware of the difficulties and dangers that children face on their trip to school each day; and

WHEREAS, community leaders and parents should determine the "walkability" of their community by using the Walkable America Checklist; and

WHEREAS, everyone should make a plan to make immediate changes to increase the safety of children who are walking in our communities and a list of suggestions for improvements that can be done over time; and

WHEREAS, children, parents and community leaders are joining together nationwide to walk to school and evaluate pedestrian safety in their community,

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD OF TRUSTEES OF THE DEL MAR UNION SCHOOL DISTRICT DOES HEREBY PROCLAIM OCTOBER 6, 2010 "INTERNATIONAL WALK TO SCHOOL" DAY IN THE DEL MAR UNION SCHOOL DISTRICT AND ENCOURAGES EVERYONE TO CONSIDER THE SAFETY OF PEDESTRIANS TODAY AND EVERYDAY:

Subject: Agenda Item 8.7: Board Approval, Interdistrict Transfer Agreement Between the Solana Beach School District and the Del Mar Union School District for the Pell Place Project

The Del Mar Union School District (DMUSD) and the Solana Beach School District (SBSD) mutually desire to extend an interdistrict transfer agreement with regard to the 316 condominium project known as Pell Place, located at Townsgate Drive and Pell Place in that the boundary line between the two school districts bisects the Pell Place project. Approximately 146 of the 316 condominiums are in SBSD and 170 are in DMUSD.

Education Code Section 46600 allows two school districts to enter into an interdistrict transfer agreement for a period not to exceed five years. The agreement may be extended for additional periods not to exceed five years each with the mutual consent of both parties.

The project generates few students in grades K-6. DMUSD and SBSD desire to provide some attendance options for students generated from the SBSD portion of the project.

FISCAL IMPACT: None.

RECOMMENDED: The superintendent recommends the Board approve an Interdistrict Transfer Agreement Between the Del Mar Union School District and the Solana Beach School District for the Pell Place Project.

INTERDISTRICT TRANSFER AGREEMENT BETWEEN THE SOLANA BEACH
SCHOOL DISTRICT AND THE DEL MAR UNION SCHOOL DISTRICT

34

PELL PLACE PROJECT

RECITALS

- A. Education Code Section 46600 allows two school districts to enter into an interdistrict transfer agreement for a period not to exceed five years.
- B. The Solana Beach School District ("SBSD") and the Del Mar Union School District ("DMUSD") mutually desire to enter into an interdistrict transfer agreement ("Agreement") with regard to the 316 condominium project known as Pell Place, located at Townsgate Drive and Pell Place in that the boundary line between the two school districts bisects the Pell Place project ("Project"). Approximately 146 of the 316 condominiums are in SBSD and 170 are in DMUSD. A depiction of the Project and the boundary line between the two school districts is attached hereto as Exhibit "A" and incorporated herein by reference.
- C. The Project is expected to generate relatively few students in grade K-6. SBSD and DMUSD acknowledge that the provisions of Section 3 herein, for payments from DMUSD to SBSD, takes into consideration that the Project is anticipated to generate relatively few K-6 students and limits such payments if the Project generates significantly more students than presently anticipated. Nevertheless, SBSD and DMUSD desire to provide some attendance options for students generated from the DMUSD portion of the Project.

NOW THEREFORE, it is agreed by and among the parties as follows:

1. Term: This Agreement shall be in effect from June 1, 2010 through and including May 31, 2015. The Agreement may be extended for additional periods not to exceed five years each with the mutual consent of both parties.
2. Interdistrict Transfer Requests: Parents or guardians of students in grades K-6 who reside in the DMUSD portion of the Project may apply for an interdistrict transfer to attend schools in SBSD. Those transfer requests will be granted by both DMUSD and SBSD if residency is verified. This Agreement does not bind either school district to assign students from the Project to any particular school. This Agreement does not prohibit SBSD from revoking an interdistrict transfer once granted if the student is in violation of SBSD rules and regulations or California state law, or if the student's family moves out of the Project.
3. Payment of Funds from DMUSD to SBSD: Each year by February 1, commencing February 1, 2006, SBSD shall determine how many students from the DMUSD portion of the Project are enrolled in SBSD schools under an interdistrict transfer as of January 15 of that year. After June 30 of that same year, SBSD shall invoice DMUSD in the amount

of the non-deficited base revenue limit for each DMUSD student on an interdistrict transfer as of January 15 of that year; provided, however, that DMUSD shall not hereby be required to pay any funds to SBSD attributable to a particular fiscal year in excess of the total real-property tax revenues received by DMUSD during such fiscal year that are attributable to property within the Project. In the event that the cost of educating the students transferred from DMUSD to SBSD exceeds the revenue from the total real-property tax revenues for any fiscal year, either party can request that both parties meet to renegotiate the terms of this Agreement. DMUSD shall not be invoiced for that year of any Project student who obtains an interdistrict transfer after January 15 of any year. If a DMUSD student who has obtained an interdistrict transfer and is enrolled in a SBSD school on January 15 subsequently has that transfer revoked and returns to DMUSD, SBSD shall only invoice DMUSD for the pro-rata portion of the school year that the student was enrolled in SBSD. DMUSD shall pay the invoices from SBSD within forty-five (45) days after receipt. In the event there is a dispute over any invoice, the two Superintendents or their designees shall meet and attempt to resolve the dispute. If the dispute cannot be resolved, the two Superintendents shall jointly appoint a neutral third party to resolve the dispute and whose decision shall be final and binding. The existence of a dispute over any invoice shall not impact the payment of any invoice for which there is no dispute.

4. Boundary Adjustments Within the Project: This Agreement does not prohibit the parties from mutually determining at some later date to process a boundary adjustment or transfer of territory within the Project in accordance with the California Education Code.

5. Amendments: This Agreement may only be modified or amended in writing with the mutual consent of both parties.

6. Approval: This Agreement is only binding if approved by a majority vote of each respective Board of Education at a duly called meeting.

7. No Third Party Beneficiaries: This Agreement is for the benefit of the parties only, and there are no intended or unintended third party beneficiaries.

Subject: Agenda Item 8.8: Discussion of Strategic Plan Financial Task Force Recommendations and Staff Follow-up to Those Recommendations

The Governing Board has requested a time to discuss the Superintendent's Report from the August 25, 2010 meeting in regard to the Financial Task Force Recommendations including but not limited to:

Definitions and Philosophy of the DMUSD Reserve

A substantial reserve, according to the recommended reserve policy, should be maintained as insurance for possible changes in the level of basic aid funding.

Staff concurs that we should maintain the suggested reserve of between 22% and 30% when there is appropriate funding.

If basic aid funding is greatly decreased, or eliminated, or the DMUSD reverts to revenue limit funding status, then the reserve should be spent incrementally to preserve programs to the extent feasible.

The SPFTF recommended a stepped approach...

- 1. The DMUSD should utilize 50% of reserves in year one and 50% of remaining reserves in year two. In year three, and thereafter, any remaining reserves should be used while maintaining a minimum reserve of 3% to 5%.*

While staff agrees that there are times when, as an organization, we need to spend down the reserve, we do not agree with the formula presented. We feel that utilizing more than 10% of the reserve in one year would not be in the best interest of the District.

- 2. The DMUSD Board of Trustees should declare an economic state of emergency in order to amend, modify or rescind the agreement between the district and DMCTA.*

If and when the District must declare an economic state of emergency, we feel that both parties of the DMCTA and DMUSD agreement would put their mutual interest toward solving the financial crises without having to suspend the agreement.

The SPFTF recommended that the Board of Trustees, in the best interest of the DMUSD in their contracts and other dealings, that they establish a definition, or formula, of what constitutes a "state of emergency" in the event of loss, or significant erosion, of basic aid funding or a significant change in funding status.

We recommend that the district enter emergency status when the budget forecast shows a 10% decrease in the total revenue.

Subject: Agenda Item 8.9: Board Approval, Resolution No. 2010-24 of the Board of Trustees of the Del Mar Union School District Adopting an Amended Appendix of the Conflict of Interest Code Pursuant to the Political Reform Act of 1974.

Government Code Section 87306.5 requires every County department and local government agency to review its Conflict of Interest Code every even-numbered year to determine if it is accurate or if the code must be amended. 2010 is a mandatory review year for the Del Mar Union School District to review its Conflict of Interest Codes, file a Biennial Notice with the code-reviewing body (The San Diego County Board of Supervisors), and update its Conflict of Interest Code.

A review of the DMUSD Conflict of Interest Code was conducted and it was determined that an amendment is necessary due to a revision of the titles for Assistant Superintendent, Curriculum & Instruction; Director of Child Care and Director of Human Resources/Facility Planning. In addition, the position of Business Services Coordinator has been added as a Designated Position and the description of Disclosure Categories required revisions. (The *Legislative Version* showing the changes is attached.)

Dianna Marie Valdez of the law firm, Best Best & Krieger, assisted staff with the review, preparation of notices, amendments and resolutions. The amended Appendix of the Conflict of Interest Code along with the Resolution are being presented for Board approval. After the Board of Trustees has adopted the proposed amended Appendix, it will be submitted to the Board of Supervisors of the County of San Diego for their approval.

The federal Education Jobs and Medicaid Assistant Act of 2010, House Resolution 1586 was signed by President Barack Obama on August 10, 2010. Under the Act, Governors have 30 days to apply for funding and the U.S. Department of Education must award funds within 45 days of enactment. California's application was approved on August 27, 2010 and, pursuant to Senate Bill 847), Lieutenant Governor Maldonado signed the bill on September 10, 2010. LEAs must use Ed Jobs funds at the school site level for compensation and benefits and other expenses. DEPARTMENT OF
EDUCATION

JACK O'CONNELL

STATE SUPERINTENDENT OF PUBLIC INSTRUCTION

September 14, 2010

Dear County and District Superintendents and Direct-Funded Charter School Administrators:

EDUCATION JOBS FUND AND MEDICAID ASSISTANCE ACT OF 2010

This letter is to provide information on the federal Education Jobs and Medicaid Assistance Act of 2010, House Resolution 1586 which was signed by President Barack Obama on August 10, 2010. Under this Act, the Education Jobs Fund (Ed Jobs) program was created. The Ed Jobs program would provide California \$1.2 billion to be used to save or create an estimated 16,500 kindergarten through grade twelve (K–12) jobs.

Governors have 30 days from enactment to submit their state's application for the funds, and the U.S. Department of Education (ED) must award the funds to states within 45 days of enactment. California's application was approved by the ED on August 27, 2010.

Allocation of Funds

The Act requires Ed Jobs funds to be allocated to states through the same process as Section 14001 of the American Recovery and Reinvestment Act (ARRA) of 2009. In turn, states must allocate funds to local educational agencies (LEAs) through the state's primary K–12 funding formulae or based on LEAs' relative shares of Title I, Part A allocations. If states choose to use their primary K–12 formulae, it must be the same formulae the state designated in its State Fiscal Stabilization Fund (SFSF) application. A state must use the same data that it uses to allocate funds for the 2010–11 school year.

Governors will only have one year to award the Ed Jobs funds before they are reallocated back to the ED and redistributed to the remaining states under the same formula as the initial allocation.

In the application submitted on August 13, 2010, Governor Arnold Schwarzenegger indicated that California will be using the primary K–12 formulae method. Pursuant to Senate Bill 847, which was signed by Lieutenant Governor Abel Maldonado on September 10, 2010, the funds will be "allocated to LEAs in an amount calculated to be an equal proportion of the amount calculated for the 2010–11 fiscal year" for school

September 14, 2010
Page 2

district, county office of education, or charter school revenue limits. A preliminary allocation equal to 90 percent of the estimated final allocation must be made within 14 days after the bill was signed.

A separate application to receive funding under the Ed Jobs program will not be required for LEAs that previously submitted an application to the state under the SFSF program. LEAs that have not submitted an SFSF application previously, including new direct-funded charter schools or charter schools that have changed their fund type from local to direct since 2008–09, must apply for Ed Jobs funds by using the SFSF application which is available through the CDE Education Jobs and Medicaid Assistance Act Web page at <http://www.cde.ca.gov/ar/ej/>.

Preliminary allocations of funds are available through the “Entitlements and Apportionments” link on the CDE Education Jobs and Medicaid Assistance Act Web page at <http://www.cde.ca.gov/ar/ej/>.

Use of Funds

LEAs may use Ed Jobs funds to compensate employees for any period after August 10, 2010, the date of enactment of the Act.

LEAs must use the funds at the school site level for compensation and benefits and other expenses, such as support services, necessary to retain existing employees; to recall or rehire former employees; and, to hire new employees in order to provide early childhood, elementary, or secondary educational and related services. This includes salaries, performance bonuses, health insurance, retirement benefits, incentives for early retirement, pension fund contributions, tuition reimbursement, student loan repayment assistance, transportation subsidies, and reimbursement for child care expenses. Funds may be used to restore reductions in salaries and benefits or to implement increases. They also may be used to eliminate furlough days.

In addition to teachers, employees supported with Ed Jobs funds may include, among others, principals, assistant principals, academic coaches, in-service teacher trainers, classroom aides, counselors, librarians, secretaries, social workers, psychologists, interpreters, physical therapists, speech therapists, occupational therapists, information technology personnel, nurses, athletic coaches, security officers, custodians, maintenance workers, bus drivers, and cafeteria workers.

Funds may not be used for: (1) administrative expenditures related to the operation of the superintendent’s office or the LEA’s board of education, including the salaries and

September 14, 2010
Page 3

benefits of LEA-level administrative employees; and (2) expenditures for fiscal services, LEA program planners and researchers, and human resource services.

Please see the ED guidance for more information on allowable use of the Ed Jobs funds on the ED Education Jobs Fund Applicant Information Web page at <http://www2.ed.gov/programs/educationjobsfund/applicant.html> (Outside Source).

Period of Availability

Ed Jobs funds are intended for use in the 2010–11 school year. However, LEAs may carry over unspent funds into 2011–12. All funds must be obligated by September 30, 2012.

Given the Legislature has directed the CDE to distribute 90 percent of the preliminary entitlement, the CDE requests that LEAs spend these funds as quickly as possible. Spending the funds immediately is consistent with the federal intent regarding the use of these funds. Spending funds quickly also conforms with federal cash management rules, which require that cash be distributed in a manner that minimizes the time between an LEA's receipt and expenditure of federal funds, and minimizes the interest earned on unspent funds.

Accountability and Reporting

LEAs must maintain records that separately track and account for Ed Jobs funds. In accordance with the requirements of Section 443(a) of General Education Provisions Act (20 *United States Code*, Section 1232f [a]), LEAs must maintain records that will facilitate an effective audit and demonstrate that the funds were used in compliance with applicable requirements.

Under Section 101 of the Act, LEAs must fulfill the quarterly reporting requirements under Section 1512 of ARRA. You can find additional information on Section 1512 reporting requirements on the CDE ARRA and Ed Jobs Act Federal Stimulus Funding Funding, Reporting, and Compliance Web page at <http://www.cde.ca.gov/ar/rr/>.

Section 101 also requires LEAs to provide annual reports as outlined under Section 14008 of ARRA that would include information on the number of education personnel affected by the Ed Jobs program. The ED will be providing guidance on the annual reporting requirements.

September 14, 2010

Page 4

The Ed Jobs funds are subject to federal cash management rules, and LEAs must submit interest earned on federal dollars to the CDE. Please see the August 25, 2010, letter from Kevin W. Chan, Director, Audits and Investigations Division to County and District Superintendents, County and District Chief Business Officials, and Charter School Administrators regarding Interest Earned on Federal Funds on the CDE Accounting Correspondence Web page at <http://www.cde.ca.gov/fq/ac/co/fdinterestreminder.asp>.

Conclusion

As we receive additional information from the federal government about the Ed Jobs program, we will share it with you. We will continue to keep you apprised of developments concerning Ed Jobs program implementation through the listserv and on the CDE ARRA and Ed Jobs Act Federal Stimulus Funding Web page at <http://www.cde.ca.gov/ar/>.

If you have any questions regarding the Ed Jobs program, please contact the Fiscal Policy Division by e-mail at ARRA@cde.ca.gov.

Sincerely,
