Today's children are Digital Natives and use a variety of technologies on a daily basis. This presentation will address how to keep your children safe in a digital world.

A variety of tools and strategies will be presented that will provide you with the 'know how' of keeping your child safe.

Topics will include: Safe Internet Surfing; Social Networking; Cell Phones; Instant Messaging; Blogs; Cyber Bullying; and Texting.

Learn how to monitor what your child is doing in cyberspace.
