### *Hailey's Story*

You can make a difference  
in the lives of patients like  
Hailey Ellison, who was  
diagnosed with a kidney  
disease at birth and requires  
blood transfusions as part of  
her treatment. With one  
more donation this year you  
can ensure that blood is  
available when Hailey and  
patients like her need it. The  
difference in life is you!
