

Science Field Day

Wanted: Students in 4th -6th grade that love Science.

Why? To represent Ashley Falls School in the Annual San Diego Science Field Day in May.

How Many People Participate? Sixteen students 4th -6th grade

How Do I Get More Information? Attend a mandatory informational meeting on Tuesday, January 26th at recess of lunch/recess in the Science Lab.

Who Is My Contact Person? Mr. Miller. Please talk to him at school or contact him via email to ask any necessary questions tmiller@dmusd.org.

Do we want Parent Involvement? Yes! Parents act as coaches and attend the event in May. Parent involvement is critical to a successful field day. Have them contact Mr. Miller if they are interested in being involved in coaching or in any other capacity.
