*Developing Leaders For Life Through Youth Volunteerism*

Dear Sycamore Ridge Families,

The Sycamore Ridge Kids Korps chapter is working on a new project for the holidays and we would love your help!!

One of our Kids Korps members, and a First Grader at Sycamore Ridge, has an older brother serving in the front lines in Afghanistan. We would like to support him and his fellow marines by sending them care packages over the holidays to keep their spirits high.

## *How can you help?*

Please review the items that the Marines need, and if you can help, please have your child bring the items to school and put in the box outside of the front door at Sycamore Ridge.

The box will say **Kids Korps – Support our Marines.**

Travel-size and single-serving size work best. *(most requested items)*

- Toothbrushes
- Pre-sweetened and flavored beverage mixes (smaller sizes please) Gatorade, etc.
- Undershirts (olive green, short sleeve)
- Socks (bootcut, black)
- AA and AAA Batteries
- Letters of support
- Gum, Lifesavers, Mints
