

# Mad Science Rescheduled

Thank you to everyone who came to the Book Fair Mad Science Night. We are sorry the show did not take place due to an error in Mad Science's scheduling. We were able to reschedule the Mad Science presentation for two assemblies so all the students can participate in this activity. There will be a K-3<sup>rd</sup> grade and 4-6th grade assembly on Thursday, December 15th. We hope the kids enjoy the show!
