

Request for Proposal # 11-02
Metro Ethernet Services

Questions and Answers

1. Under Requirements, #2a, can you articulate what information you would like for description of company's services? Are you looking for a general description of the company, or the specific fiber service the district is looking for?

Answer: The district is asking for you to give a general description of the services your company provides, as well as, list the specific services that your company provides that directly relates to Metro Ethernet services.

2. Under #2b, can you define organizational structure?

Answer: The district is asking you to provide your organizational structure as it relates to providing and supporting Metro Ethernet Services. An Organizational Chart would be sufficient.

- 3 Under Metro Ethernet Services, can you further articulate what you are seeking in terms of exclusions and fees and payments? While AT&T understands that you are seeking one time and monthly costs for these services, what does the district mean by fees and payments?

Answer: If there are any additional on-going fees that are not included in the monthly or one-time costs, those fees must be identified. Payments – Please provide a payment schedule that includes all costs and fees.
