

Cyber Crime:

Do You Know Where Your Children Are?

Presented by: Tracy Webb, Senior Trial Deputy in Charge

Cyber Crime and Child Abuse Prevention Division, Internet Crimes Against Children
Task Force (ICAC), Los Angeles City Attorney's Office

Date: Monday, April 2, 2012
Time: 6:30 PM – 8:00 PM
Location: Carmel Del Mar School
12345 Carmel Park Drive, San Diego 92130

This interactive workshop includes:

- a comprehensive overview of the current issues in cyber crime
 - information on internet predators and Megan's law, chat rooms, sexting, cyber bullying, social networking sites, geo-tagging technology, and computer safety instruction
 - up-to-date information on electronically facilitated crimes against children with an emphasis on bullying behavior
 - challenges faced by parents and educators as these technologies become more prevalent and complicated
 - relevant and compelling examples
 - an update on new laws and current legislation
-

We hope that you will join us!
