

In memory of Joshua Cheng and his love for reading, we are creating "Joshua's Reading Zone or the J-Zone" in the library. A special area will be decorated with 'comfy' furniture and hopefully, a mural.

Your help is needed. Please consider making a tax-deductible donation to the 'J-Zone'. Checks should be made payable to Ashley Falls School. You can also visit the book fair starting on Monday, March 5th and purchase a book to donate to the library in Joshua's memory. A special bookplate will be placed inside each book donated. If you know of an Artist that might be interested in helping create a mural, please email Terri Alper at talper@dmusd.org. Thank you for your support of this project.
