In the **Annual ESC Campaign**, to ensure a full ESC program for next year!

Parents, as of March 7, 2012, 26% of you have contributed a total of \$564,000 toward the DMSEF's Annual ESC Campaign. While this is a large amount of money, we still need an additional \$750,000 to ensure that our ESC program is not reduced from this year's current state. If we do not receive these funds, this is how the ESC program will compare to past years:

**Please
GIVE**

If you have a child,
you have a reason.

	2010-11	2011-12	2012-13 (\$564,000)
District Funded:	19	19	19
DMSEF Funded:	14	13	5
Total ESC Teachers:	33	32	24 (8 less teachers then last year)

Your contribution to DMSEF helps your child, every day, with programs that make the difference between a basic education and a truly great one. Today, with massive budget cuts in Education, your contribution is more important than ever. Join us in ensuring that our ESC teachers continue to teach, enrich, inspire and mentor our children with our support.

Thank you to everyone who has contributed towards this campaign so far! Soon recognition in form of an honor roll will be listed on our website, www.delmarkids.org, and in our Annual Contributor's Honor Roll publication in May 2012.
