

You are invited!

Quantum Learning Curriculum Night

Quantum Learning for parents*

Tuesday, March 27 in the Del Mars Hills PAC

6:00 -7:30 pm

Experience this cutting edge teaching and educational methodologies to accelerate learning and increase student engagement! It's been proven to increase academic achievement and improve students' attitudes toward the learning process!

Del Mar Hills teachers will be sharing strategies on 21st Century Skills, Hands-on Science, Visual/Auditory/Kinesthetic Learning in Math and Language Arts, Learning through Mnemonics, and Brain Research on How Students Learn.

Take home strategies and methodologies you can use at home!

*Sessions are intended for parents only.
