

## ESC Challenge Week (April 2 – 6)

**As of March 16, we are facing the loss of about 7 ESC teachers in our district.** Your contribution to DMSEF ensures your child will have a fully funded ESC program next year (Science, Music, Art, Technology, and PE). **40% of families** at Ocean Air have contributed. Our challenge is to bring that number to **100%**. Contributions are tax deductible and many companies match it.

### \*\*\*PREFERRED PARKING AT OCEAN AIR\*\*\*

Do you want the luxury of parking closer to the school than Principal Stanley? It's time for the annual parking space auction! Support the ESC programs by bidding on 4 available spots and zip by the endless line of cars at drop-off and pick-up!

Bidding will open at 8 AM on Monday, April 2nd and close at 6 PM on Friday, April 6th. Please check this site on April 2nd to find the link to start the bidding.

### \*\*\*ART SHOW\*\*\*

For the first time at Ocean Air, there will be a school-wide Art Show! The students have been working so hard, and this is a wonderful opportunity for them to showcase their achievements. Every student will have at least one piece of art on display. Be sure to stop by.

**\*\*\*6TH LEGACY TREE\*\*\***

Our 6th graders are growing up so fast! Within a few months, they will be graduating and moving on to middle school. To commemorate their time and memories at Ocean Air, we are introducing a Legacy Tree. For a \$200 contribution to DMSEF, each 6th grade family will get a leaf engraved with their name and graduating year. (Families who have already contributed at least \$200 to DMSEF will automatically get a leaf.) Leave your legacy at Ocean Air by providing an enhanced education for our younger students.

**\*\*\*TO CONTRIBUTE\*\*\***

The fundraising deadline is **April 30th**. To contribute, please go to [www.delmarkids.org](http://www.delmarkids.org).
