CLASS OF 2012**

## **Sycamore Ridge 6TH GRADE Legacy Wall**

Our 6th Graders are growing up so fast! What an exciting time! Within a few months they will be promoted and moving on to middle school.

**To commemorate their time and memories at Sycamore Ridge, we are introducing a 6th Grade Legacy Wall!**

For a \$100 contribution, each student will have the opportunity to hand-make a one-of-a-kind relief tile from clay during a special ceramic session with Art Teacher Mrs. Gilbert. The tiles will reflect what it meant to each 6th Grader to be a Stallion and will be installed on the Clock Tower.

*Proceeds from this project will be donated to DMSEF which will help continue the legacy of success for our students here.*

Leave a unique and lasting mark of your child's elementary school years at Sycamore Ridge. Our 6th Graders are reaching a new milestone in their lives as they enter middle school but their special years at Sycamore Ridge will always be remembered!

**To participate in the 6th Grade Legacy Wall contribute \$100 to the DMSEF before April 30, 2012 on-line at [www.delmarkids.org](http://www.delmarkids.org) or mail your check to: DMSEF 13030 Ashley Falls Drive, SD, CA 92130**
