II. NEWS & VIEWS

A. Portables

Mr. Stanley reported that the current issue regarding portables is whether or not to lease or purchase. The advantage of purchasing is that the portables will match the existing school structure. The question remains if it makes sense financially. This will be determined at the Board meeting on March 28.

B. DMSEF

The goal of Challenge Week (ends on 4/2) is to reach 100% both in money raised (a.k.a. \$1.2 million) and in participation. We are currently at \$625K with 40% participation. The Jog-A-Thon raised \$52K which went to the Foundation. If not another penny is raised, we will lose 6.5-7 ESC teachers across the district. Ideas on the table for future fundraising vehicles include a legacy tree for the 6th graders and tiles.

C. Carnival

Sunday, April 1 is OA's 3rd Annual Spring Carnival. Fun for the whole family, the highlight of which is the DUNK TANK! Look for Mr. Stanley and Mr. Delehanty donning their wet suits!

D. Open House

Thursday, April 5 is Open House! Additions to the evening's program will include an Art Show, a 4th grade recorder concert, food trucks and the Used Book Fair.

III. PARENT SURVEY

A. 168 responses were generated. Results were reviewed and discussed by the Council and further synthesized into the categories of Things We Already Knew But Can't Hear Enough Of and Areas for Change. The Council determined the top two areas for further examination are: homework and academic/group projects for students.
