Dear Parents:

Board of Trustees
Kristin Gibson
Doug Rafner
Doug Perkins
Comischell Rodriguez
Scott Wooden

As the 2011/2012 school year draws toward a successful conclusion, we want to thank you for the many ways you support the staff and students at Sycamore Ridge School.

During the final month of this school year, staff will begin developing preliminary 2012/2013 student placements. The placements and class rosters will be finalized in August. Many factors are considered as we make student placements. We make every effort to balance classes according to the following criteria:

- boy-girl ratio
- a blend of different learning styles
- class size
- English language skills
- enrollment in special education
- the **need** to group or separate children

Parent input is yet another factor we are pleased to consider as we develop classes. If you would like to share information, which we may not already have, you may request a Student Information Form from our office, or download the form at the district (district.dmusd.org) or school (sycamore.dmusd.org) website. Completed forms must be returned to the school office no later than **Monday, May 14, 2012**. Please understand, requests for **specific** teachers will not be considered; nor will we accept forms containing negative comments about a teacher.

Great care will be taken to place each child whether or not we receive a Student Information Form for your child. The final 2012/2013 class rosters will be available on the District website in late August.

Thank you for a very successful 2011/2012 school year and for your assistance in planning for the upcoming year.

Sincerely,

Emily Morris
