

# Family Science Night - Fantastic Physics!

Tuesday, May 15, 2012!

Please join us for a family science night in the MUR. Discover that physics can be fun in this program designed to teach parents and children how science affects their everyday lives. Using hands-on investigations, participants explore a variety of scientific concepts including air pressure, gravity, buoyancy, electricity, magnetism, motion, sound and light. The event will begin at 6:00 pm and end at 7:30 pm in the MUR. Hope you can join us!
