Dear Parents,

I am sending home our first book order today. These book orders provide a great opportunity for parents to purchase books at very affordable prices. Third graders are making the transition to chapter books. I hope you will take advantage of the book orders to provide your child with appropriate reading material. To help determine which books are appropriate, look for the small RL, which stands for grade level equivalent. Most third graders will be reading RL 3.0-4.5. Also as a guide, look at the number of pages, which should be around 100-300 pages for an appropriate level (although students may vary). You can always get a more challenging book to read together as well!

I will be sending home book orders about once a month in the Wednesday Folders. You can expect to find three book order flyers in each monthly packet. I hope that your child, or your child's sibling, may be able to find books of their interests within these various flyers. For each book ordered, our classroom receives points that can be applied to books for our classroom. These points are a major source of funding for our classroom library. I truly appreciate all of your book orders!

The books orders are due by Wednesday, September 14th. You can submit your order to me or you can place your order online! To submit the order to the class, please make a CHECK payable to the book ordering company, SCHOLASTIC BOOKS, not the school. Only one check should be written for the several different flyers. Please complete your order form marking the books to order as well as your child's name. Attach the check to the order form and send it in to class with your child. Unfortunately, I may not be able to accept paper orders submitted to me that do not follow these directions.

To order online:

- **SIGN UP** at www.scholastic.com/bookclubs. On the parent page, click the "Register" button in the "First Time Here?" section. Register for your own user name and password. When prompted, enter the one-time Class Activation Code shown above. This unique code ensures that your order is sent to me.
- **SELECT** the books you'd like to order -- choose from thousands of titles -- many more than in our monthly flyers.

- **SEND** your order to me online by the due date and your child's books will be delivered directly to my classroom.

Below you will find some of my book recommendations from these catalogs. My book picks may be books that I have read that I thought are well-written and/or interesting, or books that students have told me about that seem well-written and/or interesting. I do not know all of the books, so there may be some really good books that I don't recommend because I don't know it yet. Please note that some of my book picks may not be appropriate for your child. I recommend books that would be good for all or just some of our third grade students. I hope you find this helpful! Feel free to contact me with any questions and thanks again for your order!

Thank you,
Rachelle Armstrong
