There are four primary areas for water sports in Georgia’s Blue Ridge. The big numbers on the map correspond to the geographic areas of our rivers and lakes. On the back of this map there is a full listing of outfitters and guides for each type of water activity, and their areas of operation.

1. Ocoee River Rapids, Ocoee Whitewater Center
2. Lower Toccoa River below the dam. The river flows northward.
3. Lake Blue Ridge
4. Upper Toccoa River above the dam. The wild section of the river.
