REDLINE CUP 2013

The Redline Cup Series consists of riders counting a racer's best ***TWO** scores from the Redline Cup Series (see dates & locations below) plus your scores from Saturday and Sunday at any Redline Cup Finals event (East, Central or West). Series points are calculated according to the Redline Cup/State/Provincial Points Table.

In addition to awarding a Redline Cup jacket and No.1 plate to the winner in each age and skill level, USA BMX will award Redline Cup No.2 and No.3 plates. Riders can also earn quadruple district points at the Finals, for both Saturday and Sunday. Race any Redline Cup Race both Saturday and Sunday at your respective Redline Cup Championship Final and if your points are high enough, you could become the next Redline Cup Champion!

NEW RULE NO.1: USA BMX will count your **BEST TWO (2)** scores from the following Redline Cup races.

NEW RULE NO.2: Any rider can race **ANY** Redline Cup Final, in **ANY** region.
