# 2012 USA BMX GRANDS

## YOUR GRANDS EXPERIENCE:

Great racing, titles fought for and decided, plenty of room, this Race truly is  
*The Greatest BMX Event on the Planet.*

### SATURDAY NIGHT'S PRO SPECTACULAR & NAG 5 CHALLENGE

Biggest single night of racing in the USA BMX season. Period. On Saturday night - following the 1st round of Grands motos, will be the PRO SPECTACULAR and NAG-5 Challenge. With this new schedule for 2012, you should have plenty of time to head back to the room and freshen up before seeing the Big Pro Show go down. \*\* This is a ticketed event.

Gates open at 5:00 pm and the show starts at 6:00pm and will end approx at 9pm.

### WHO IS THE WORLD'S FASTEST AMATEUR?!

The NAG 5 Challenge answers that eternal question. The top five NAG (National Age Group) Amateur boys & girls ages - ages 15 and up, compete to be the answer to that Q. By the end of the night, we will know which boy and which girl Amateur reigns supreme. Big time product prizes and bragging rights keep this group motivated, and the racing is fast and furious!

### THE QT CENTER

Massive. Huge. Gigantic. Maybe even bigger than that. No, we're not just talking about the Golden Driller statue out front. The actual QT Center building is a quarter mile long, and packed full of plenty for you and your entire family. On the upper level, is the BM-EXpo with tons of vendors, bike lock up and games to keep the kids out of trouble. Some have called it the BMX-Interbike. On the lower level, will be the site of one of the raddest Grands tracks in history! Don't miss out on it.

### HOOK UP THE TOY HAULER AND HAVE SOME FUN!

On site camping? Oh yeah. Located right on the premises of the Expo Square are 200 RV spaces - it's never too cold to camp out at The Grands. Reservations can be made at [exposquare.com](http://exposquare.com). Very affordable fees RV parking rates at \$35 per night. Reserve a spot by calling: 918-744-1113 x 2154.

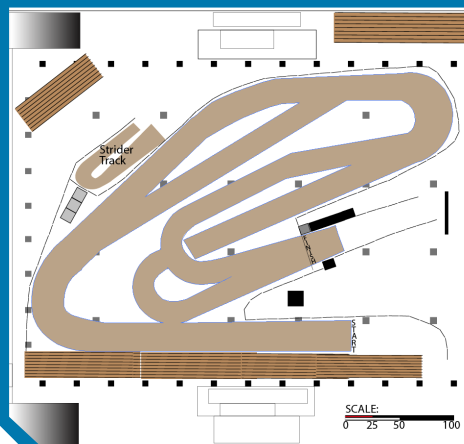

...oh, and check it out: **No parking fee for cars!**

### HOW GREAT THOU ART

Do you know why they call the USA BMX Grands "The Greatest Race on Earth?" Because year after year, the USA BMX Grands delivers the best in BMX racing for the seven National No.1 Titles. Yet it's not only the title chases that make this event so "Grand." The USA BMX Grands is a true BMX spectacle. From the track to the gigantic vendor area and pits, no other BMX race can compare. It's something you definitely need to "experience."

### HELP DESIGN THE TRACK!

The Grands track is always something of legend as it is constructed with more dirt than any other track in the World. It has something for everyone and in the past few years has

featured split sections, berm jumps and more! This year's Grands track will include input from YOU, the USA BMX members. JBL Audio has put up a prize for you to submit jump suggestions. If your obstacle(s) are used - you'll win some cool JBL speakers and have the jump named after you. To win, go to: ?????????? (or click the QR code) to download an outline of the track. Submit your version on USA BMX's Facebook page - or send to: [editor@pullmagazine.com](mailto:editor@pullmagazine.com)

### SPECIALY-MADE STRIDER TRACK & RACES:

New for 2012, USA BMX will construct a special "Strider Only" course, and will hold practice on Thursday @ 12 noon and Saturday at 9-10am. Strider races are available for all 2, 3 and 4 year olds. A practice course will also be set up in the Strider pit area.

### AVOID LONG LINES: PRE-SIGN

Pre-sign, Pre-sign, Pre-sign! This will not only **save you \$10 per entry**, but it also provides you more time to take in the Grands atmosphere. Sign up in advance via Internet, mail or fax it in to the USA BMX offices. Just be sure to have it all in before the

**NOVEMBER 18th deadline.**

### GOODIE BAGS

All ROC and Grands participants receive a Dan's Comp Goodie bag filled with cool swag from the BMX industry and local Tulsa community.

### VENDOR, TEAM & FACTORY PITS

All USA BMX Grands Team and display space areas must be reserved with USA BMX prior to the event. Contact: [shannon@usabmx.com](mailto:shannon@usabmx.com) for criteria, rates and space reservations.

### USED-PART ROW

Got some stuff to sell? Another longtime Grands tradition is the "Fence of Parts" - where you can sell or buy used bikes and parts at a nice price.

### ANNUAL OLD SCHOOL SHOW

Every year, M.O.T.O.S. (Master Of The Old School) put on the Old School BMX Museum & Show, in a room near the entrance to the Vendor Area. Be sure to stop and vote for your favorite vintage bikes from all eras. To show your bike, contact: [motosbmx@cox.net](mailto:motosbmx@cox.net)

### 2012 PRO TITLES: TO BE DECIDED SATURDAY NIGHT

Pros will qualify for the event during the 1st round motos of The Grands. Then, under the spotlight of Saturday night - the No.1 Vet Pro, Women Pro, and AA Pro titles will be decided and crowned during Saturday Night Pro Show.

### LOCK 'EM DOWN...

As always, USA BMX will set up a massive bike lockup area. With no bikes being allowed in the seating area, be sure to bring your lock and cable to insure the safety of your ride. Enjoy the weekend knowing your bike is safe.

### NEW TIME/DAY FOR PRO AUTOGRAPHS

This year, the traditional PRO AUTOGRAPH SESSION will take place on Thursday - 15 minutes after Pro Practice: 3:45pm to 5:30. Be sure to catch many Olympic stars and Factory Pros signing the custom 2012 GRANDS PROGRAM - in front of the USA BMX big rig.
