

Knowing what to pray and who to pray for comes easily for some of us.

Others of us have difficulty knowing where to begin. If you are one of those individuals who appreciates a little more structure, then this prayer guide is for you. Each prayer point correlates to a day of the month. Over the duration of the month, you will have prayed for our church, and her leaders, state, national and world leaders, for people groups and for current world events. You will have prayed “strategically and intentionally” for kingdom purposes and kingdom concerns. May we use resources at our disposal to rise to the challenge to “pray without ceasing.”

Please pray for the Christians in Nigeria as they daily face persecution and killings by extreme Muslim groups, eager to wipe out Christianity in Nigeria. The Strategic Prayer Initiative / If you are not familiar with the efforts of the Strategic Prayer Initiative (SPI), here is a short summary: Our primary mission is to use research, Scripture, prayers for guidance, experimentation, and many counselors to help develop and refine models that are “undeniably effective” in moving large numbers of Christians to develop and maintain “good prayer lives”. The focusing of those prayers is seen as one critical element of becoming more effective in fighting the spiritual battle.
